The 1971 Golf Squad Had a Very Impressive Year

1. These interested golfers watch intensely as the pro Coach Barragree teaches the grip.
2. Kevin Jones gets into the swing of things.
3. Saathoff contemplates a tricky move as Taylor shoots for par while Dombrowski anxiously waits.
4. FRONT ROW: Jerry Miller, Scott Mohr, Steve Johnson, Dan Quick, Dennis Flynn, Kip Jonaway, Gary Stewart, Roger Pratt, Ed Wade, Bob Viering, Mike Morgan, Lee Dauen. ROW 2: Coach Robert Barragree, Mike Haffner, Brian Johnson, John Lawrence, Bruce Barragree, Kevin Jones, Dwight Oltmans, Roger Wilkins, Jack Dombroski, Gary Taylor, Bob Saathoff, Roy Wright, Coach John Moore.

The 1970-1971 season was a very good one for Coach Robert Barragree and his golf team. The varsity squad had an impressive record with 13 wins and 2 losses. The junior varsity team turned in an equally impressive season with a record of 13 wins and 3 losses. The Frosh-Soph had a record of 4 wins, 1 loss, and 1 tie.

This years varsity squad members were Roger Wilkins, Gary Taylor, Kevin Jones, Jack Dombrowski, Bob Saathoff, Brian Johnson, and John Lawrence. Roger Wilkins turned in the best competitive average for the team with an average of 38.6. Roger also received the Most Valuable Award for the second straight year. Gary Taylor won the Hustle Award.

In tournament competition the Warriors captured the Twin-City crown, placed 7th in the LaSalle Invitational, 1st in the District Meet, 6th in the NCIC Meet, 3rd in the Sectional Meet, and tied for 24th in the State Tournament.

Roger Wilkins and Jack Dombrowski shared the honors of being the highest finishers in Tournament play, Jack finished 9th in the L-P Invitational and 7th in the Sectional Meet. Roger captured 1st in the District Meet and 5th in the NCIC Meet.

Varsity Tennis Team Establishe

The 1971 varsity tennis team, under Gene Hall, compiled a fantastic 16-1 dual meet record in the 1971 season. They finished first in the Ottawa Invitational, Freeport Quadrangular, District Meet and NCIC.

All six of Sterling's varsity netmen qualified for the State Tennis Meet. Steve Dickinson, Bill James, and Gary Helms, Larry Frye in doubles; Greg Jokerst and Phil Ward in singles.

This past year, Steve Dickinson received the Most Valuable Player Award. The Hustle Award was presented to Bill James.

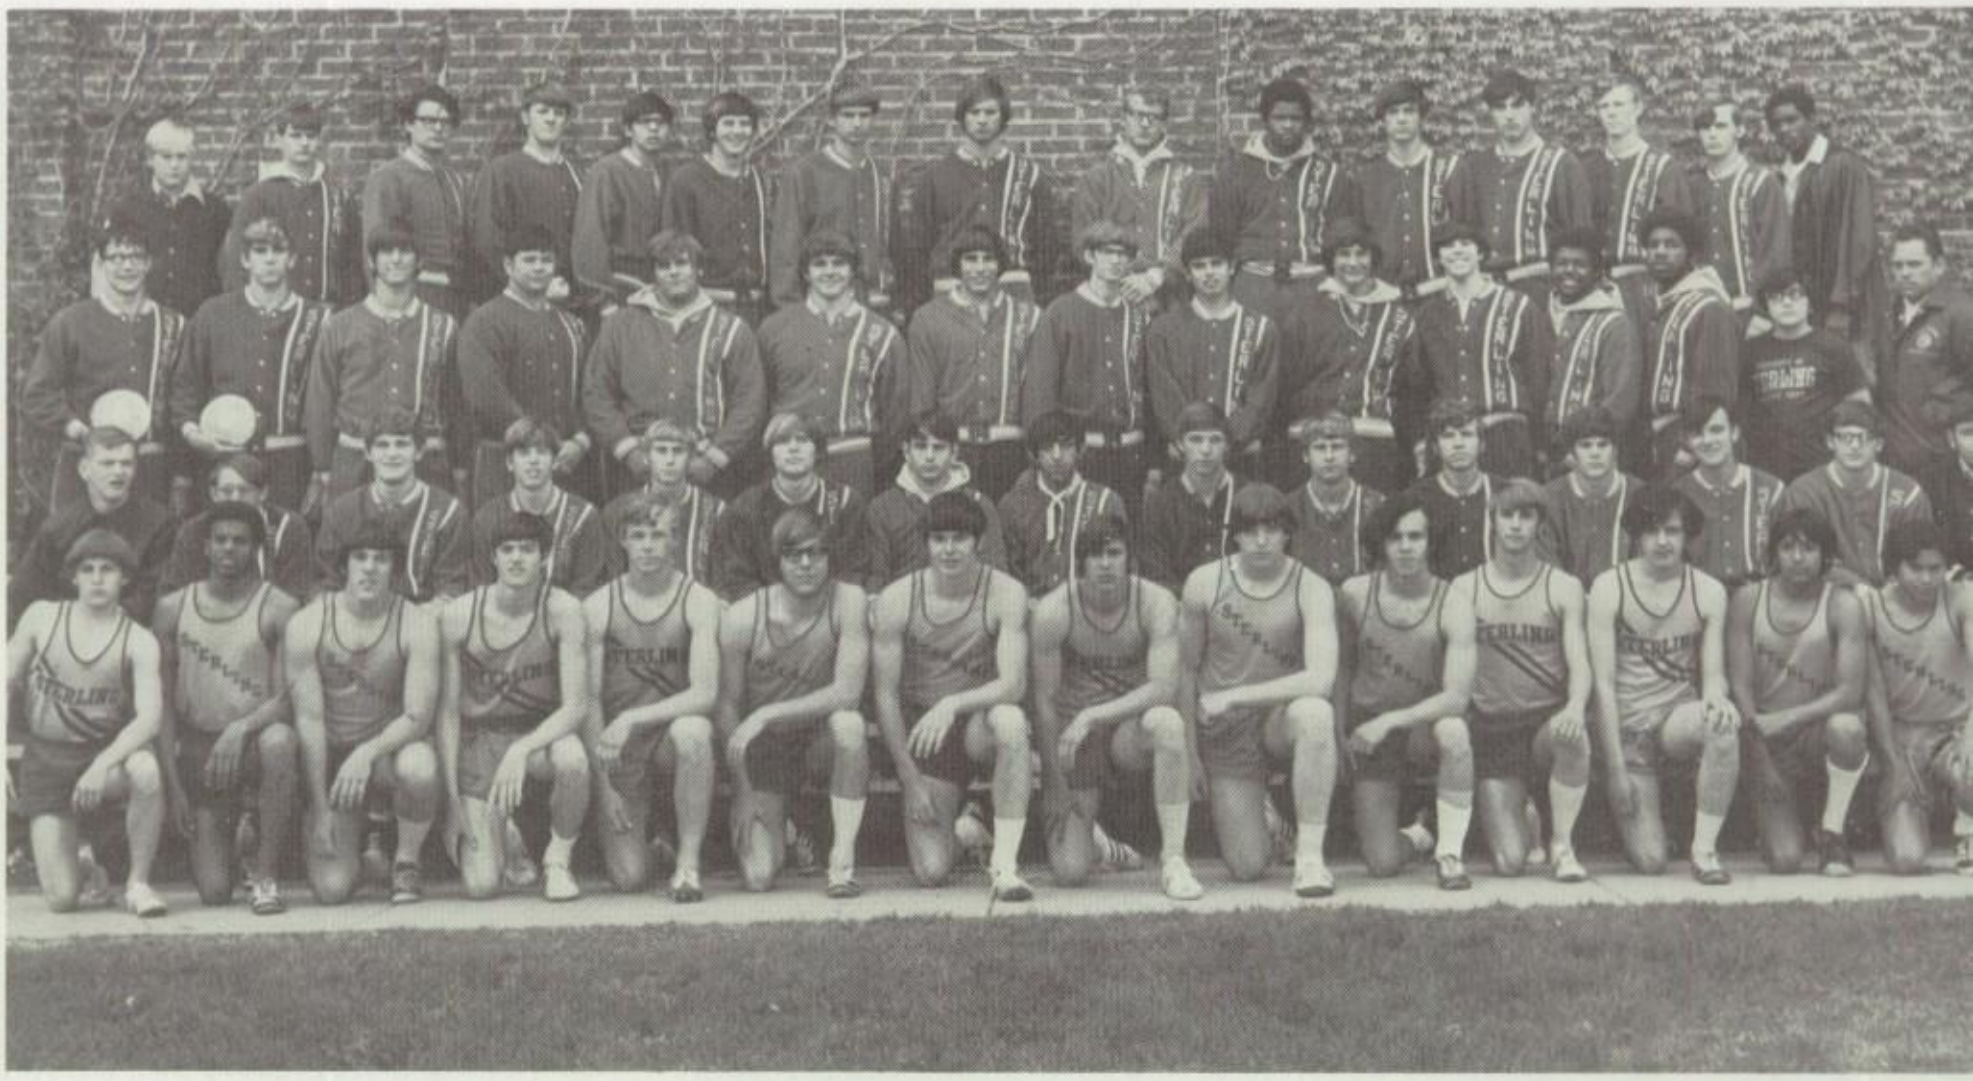
Varsity and Frosh-Soph Track Teams



The 1971 track season was tremendous for Coach DuWayne Dietz and his Varsity thinclads. The Warriors finished the season with a record of 7 wins and no losses in dual meets, and also captured first place in 3 relays. The Warriors captured the NCIC championship for the 30th time in the 41 year history of the conference.

The 1971 season saw 4 new school records established. Mike Sisson set a record for the 100 yard dash with a time of 9.8 seconds. Vaulter, Butch Rowland set a new record with a height of 14 feet, 6 inches. He also placed 4th at State. Mark Sedig broke the 2 mile record with a time of 9:58.3. Loren Mears put the shot 58 feet, 2 inches.

"Days of Chivalry" Theme Carries Many Couple

Don Quixote would have felt at home as his "Days of Chivalry" came back to life for one night. It happened at the 1971 Junior-Senior Prom last May in the STHS fieldhouse and Post-Prom at Emerald Hill Country Club.

Much work was required for Prom. All decorations were centered upon the theme. At Prom, the center of attraction was the castle. Dragons dominated the stairways. Post-Prom supported the theme by the use of crowns, swords, and other symbols of times of chivalry.

The coronation of the King; Jon Zemke, and Queen; Sue Yount, was a most important event of the night. The 1970-71 foreign exchange student Frode Fjeldberg, was made an honorary member of the court. After the coronation, a song was dedicated to the King and Queen and their court.

Prom ended at 11:30 and everyone prepared for the caravan out to Emerald Hill Country Club for Post-Prom. All couples were introduced at the premier by Curt Brandau, then entered the club for more fun.

Graduation Is Accompanied by Speeches and Music

Is coming soon

Graduation day arrived and seniors took the final step of their high school days. For some it was a day of amazement as to how they got that far. For others it was a day of laughter mixed with tears. For four years they had struggled for this day and now it was there.

Last year's seniors walked out of the high school and onto the football field on June 3rd for commencement exercises. For most of the students it would be their last glimpse of the halls of STHS. Seniors Jeff Johnson, Cathy Picken, Jackie Perou, and Mike Matznick gave speeches. Senior band members Jim Knickel, Shane Stonesifer, Dan Fitzgerald, Steve Dickinson, Dave Ratzlaff, and Gary Compton played a musical selection to the graduating class.

1970-1971 Baseball Team Comes Through In Style

The summer of 1971 was an especially productive one for Coach Glen James and the Warriors baseball team. The boys compiled a season record of 17 wins and 3 losses. During this fine season the Warriors had a 15 game winning streak, causing excitement.

Frank Lee led the team in hitting with an average of .460. Frank was also named the Most Valuable Player for determined playing throughout the season. Randy Roeing was awarded the Hustle Award for his enthusiasm during the baseball season.

Jim Hand established himself as the team's top pitcher by compiling a record of 7 wins and 1 loss. Jim pitched 61 1/3 innings of a possible 124 1/3 innings played during the season.

Harriers Complete Another Fruitful SHS Season

One of the most forgotten teams and probably one of the better at STHS this year was the x-country team. It is understandable that people would not go out to see these young men traverse rolling meadows and dales because all one would see is the start and end of the race. Nevertheless, these young men and coaches need your backing just as the other teams. This year the Varsity had an 8-1 record and finished 22nd in the state, hence more people came to witness the meets. Hopefully attendance will continue to improve. These young men run before school even begins, and then run again after school, totaling at least 5 miles a day. Many times they are seen with gloves, stocking caps, and other equipment to keep them warm. Congratulations Coach Johnson and team.

Fall Play "The Grass Harp" Presented by Drama

"The Grass Harp" by Truman Capote was the fall play performed by a fine cast of characters. The plot revolved around the Talbo family who lived in the South. Perhaps the most outstanding feature of the stage was the tree and its accompanying house in which the Talbo family lived when their sister threw them out of their fine home. A judge moved in with them in their little tree house. He then attempted to defend them against their sister's action.

Mr. Rylander was the director of the play, Mrs. Haney was the technical director and the assistant director, and the student director was Chris McFadden. The lead roles were played by Paulette Chattic, Mike Hostetler, Lona Miller, Barb Niederer, and Kevin Godshall.

Cheerleaders Exert Energy Needed for Great Year

This year proved outstanding for teams, not only athletic, but also for the cheerleading squads. To begin the year, the varsity cheerleaders went to camp, learning new tactics and passing on old techniques to others at camp. The squad brought back not only plenty of enthusiasm but also a first place award won for skill displayed at camp. Also, Kim Dietz and Nancy Jo Friday both brought back individual awards.

During the football season both squads cheered the teams to hard fought victories. The cheerleaders also took the SHS enthusiasm to other towns to cheer the teams to victories.

Both squads displayed a show of enthusiasm during the basketball season. The young cheerleaders show much leadership for next year's squad. What is a team without its cheerleaders?

1. R. Murray, P. McMillan, N. Friday, D. Renkes, D. Dietz, K. Dietz.
2. At bonfire cheerleaders show enthusiasm needed for the Warriors and Braves to pull victories.
3. The girls watch with anticipation as Rosco Eades is honored and SHS stadium is named after him.

'71 Varsity Football Team Members Attain Honors

The 1971 varsity football team had a successful season under Coach Scott. The team was one of the best in several years. Because there were many experienced juniors on the team, next year's team ought to be excellent.

At the annual awards dinner, the Hustle Award was presented to Dale Book and the Gut Award was given to Isaias Rodriguez. John Moloney was the Most Improved Player. Jack Dombroski was the Most Valuable Player. He also received the Tavallaii Award.

Jack Dombroski brought pride to Sterling when he made the 1971 All-State team. He netted 710 yards on 108 carries, scored eleven touchdowns, caught fourteen passes for 206 yards, and completed five of nine for another 92 yards giving him more than 1000 yards in total defense. This is indeed a great honor as only a few people in past years have attained it. According to the Daily Gazette, in the past 25 years, eight young men have made the All-State team. In 1946 Jim "Bucky" Wolf, backfield; Ken Gould, quarterback; and Jim Linton; fullback, were members of the last unbeaten STHS football team. In 1950, Max Schmaling and Max Baumgarder, both backfield men, made the All-State team. Bruce Kunde made it in 1955. Then, twelve years past until another All-Stater graced the school. Mike Mumford, a backfield runner, was one of the leading rushers in the North Central Conference and was also named to the All-State team in 1967. Thanks must be given to Mr. Mel Jellerichs for looking up the information needed for this yearbook.

Other people Sterling was proud of were J. C. Johnson who received Special Mention in the All-State list for his hard work and Lloyd Miller who made All-Conference. The 1971 varsity co-captains were Jack Dombroski, Max Gaumer, and Tom Lamberson.

Frosh-Soph Team Again Captures Conference Crown

In the past three years the name Jim McKinzie and conference championship has become synonymous in the sport of football, for in that time period his teams have either won or tied for the number one position in the sophomore division of the NCIC. The assistant line coach, Mr. Nunemaker, must also be given credit for his excellent work with the team.

Under their coaching, the braves offense was every bit as consistant as their defense. While the offense scored the touchdowns, the defense shut-out the first four teams it faced. The only downfall that came to the sophomores was the Dixon game. The braves could not sustain the drive they needed in the Homecoming tilt. The game ended in a 6-6 tie, but the sophomore gridders went on to win their next four games making it a successful season.

Frosh Football Team Experiences Undefeated Season

This years Freshman football team had a very successful season. Under the combined coaching of Mr. Bos, Mr. Dietz, and Mr. Johnson, the squad compiled a perfect 8-0 record.

In posting this fine undefeated season, the Freshman gridders displayed great potential. Their pride and determination will prove to be key factors in building future SHS teams as they climb to the Varsity level. As in past years this years team was loaded with talent, which is essential to any winning team. However, it is up to these boys whether they want to work hard and improve to the caliber of champions, or sit back and become a hohum football team. Hopefully they will continue to work hard, to improve, and to bring an NCIC championship to Sterling.

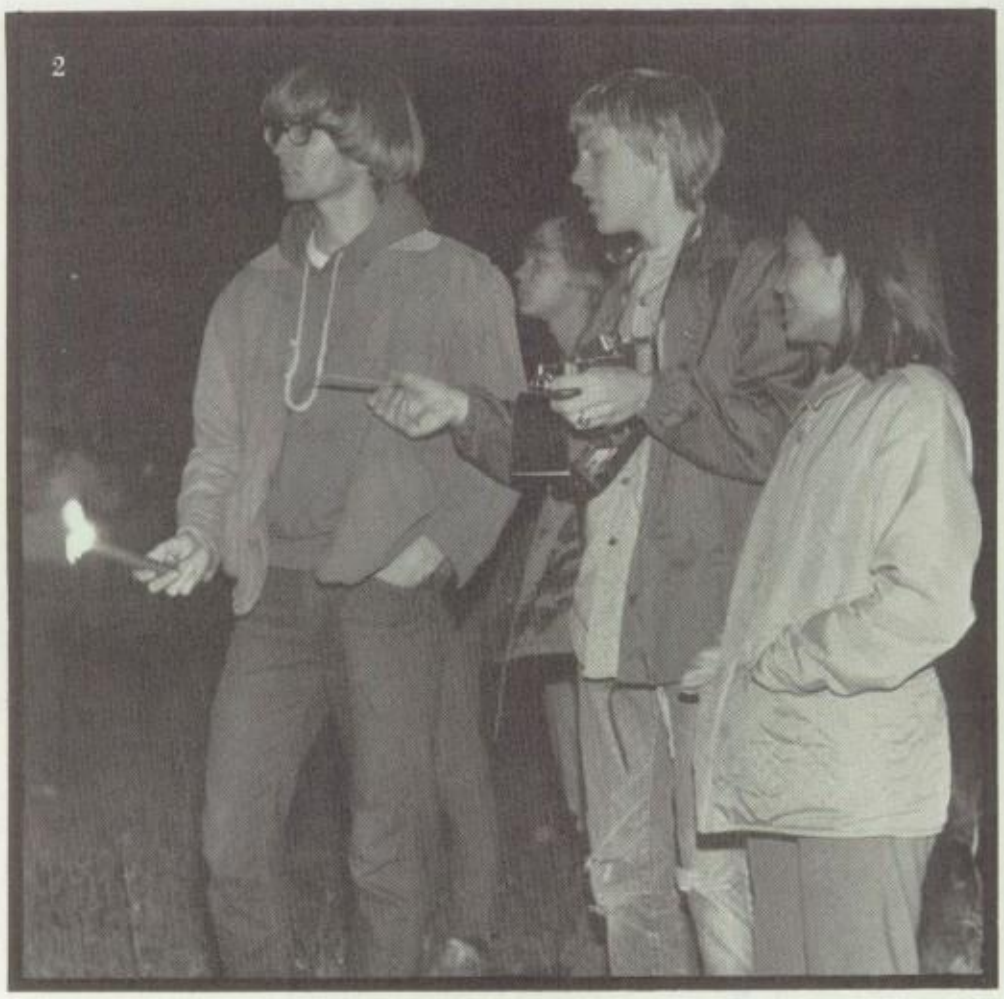
Seniors Lead Traditional Events for Successful

Homecoming this year was welcomed by warm, dry weather — the first one in three wet years. Permission being granted, the Seniors gathered outhouses and the bonfire was turned into a pep rally. At the stadium the queen and court were presented to the excited students. The Freshman attendant was Theresa Gorena, Sophomore was Teri Sellers, the Junior was Myra Chattic, the Senior was Chris Penaflor, and the queen was Debbie Dietz. The theme for this year's parade was Gardening. French club won firsts for their float in humor and originality. In beauty Robed Choir and IMC tied for first.

At the games Friday night the Frosh Soph team tied with the Dukes 6-6. The Warriors kept the winning streak as they downed the Dukes with a 26-6 win. These games were ones that the Alumni could be proud to watch. At half time of the varsity game the queen and court were presented to the crowd.

Saturday night all students attending the dance moved to the music of the Fawn. One highlight of the evening was the presentation of the court. After the presentation and reign, the court and queen took part in the queen's dance. The '71 Homecoming was successful.



1. Seniors uphold tradition as they prepare for the opening Homecoming event, the bonfire.
2. Bean holds the torch for the fire that will 'spark' the Warriors to a Homecoming victory.
3. The flaming outhouse that is annually sought brightens the outlook for the coming events.
4. Debbie finds that riding in a parade is fun.

Donkey B-Ball Sponsored by Junior Class Prove

In order to obtain money for Prom, the Juniors sponsored a Donkey Basketball game. In the first game, the SHS Faculty fought against the City Council. Mrs. Nunemaker scored the first point for the Faculty. Early in the second half, Mr. Tinley was accused of cheating — he was trying to trip the donkeys! The Faculty lost the game 6-8.

The Superstars battled against the Newscasters. First to score was Mel Jellerichs of the Newscasters. Gary Stewart scored the first point for the Superstars. The game ended in victory for the Superstars with a score of 10-8.

In the championship game, the Superstars tied the City Council 2-2 so a playoff game began. The Superstars won the second game with a score of 4-2.

1972 Varsity Basketball Team Shows Promise fo

Once again Sterling High School had a fine varsity basketball team under the guidance of Coach Gene Hall. The Golden Warriors compiled a respectable season record of 16-9 and finished 2nd in the tough NCIC conference. The Warriors were led by the senior guard tandem of Greg Schott and Gary Helms, who provided the leadership and quite often the bulk of the scoring done by the Warriors. Kim Harper, Bill Astary, and John Moloney, battled for the boards against their, if not taller, larger opponents. Surely the highlight of the season for Coach Hall was his 400th career victory and the subsequent evening honoring him at the SHS Fieldhouse. Congratulations Coach Hall and your team.

The Frosh Soph Squad Shows Potential for Future

The Sterling Braves, under the auspices of Coach Jim McKinzie, had a fine season and compiled a record of 13 wins and 7 losses. The Braves also made a good showing in the NCIC conference race by finishing in 3rd place. The season record could have been much different, though, as 4 losses were decided by 4 points or less. Not being a tall team, the Braves relied on quickness and much fast breaking to win many of their games. Of late, a trademark of Coach McKinzie's teams has been speed and scrap and this year was certainly no exception. Stan Gaffey, Mike Stockwell, Gary Warner, Tim Weaver, Kim Dietz, and the rest, deserve much credit, with Mr. McKinzie, on the season.

Coach Glenn James' freshman ball club, although not experiencing a banner year, showed that with more practice they can become a respectable team. However, to come through a schedule as tough as the varsity plays, they must constatly strive to improve. The freshman A squad finished with a seasonal record of 6 wins and 5 losses.

Though not the best season on record, the boys learned a great deal and hopefully will use this knowledge in future years to come.

Warriors Post Record of 19 Wins, 3 Losses, 1 Tie

After having an excellent wrestling season last year, Coach DeJarnett must have done quite a bit of preparing as the 71-72 season was the equal of the previous season.

In the famed Granite City Tournament Jack Dombroski came out champion in his weight division, with the team finishing fourth. The Warriors then won 5 more dual meets before tieing Dixon in a duel meet. After finishing second in Sectional, with Bob Ward capturing a first and Mel Commisso capturing a second, these young men represented the Sterling Warriors at the State finals.

JV and Frosh-Soph Prove Worthy of Recognition

Following the example of the varsity team, the Warriors Junior Varsity team compiled an excellent record with 10 wins and 2 losses. Though these boys are seldom heralded by outsiders for their accomplishments, it is these boys who must fill the shoes of graduating seniors for next year's team. Coach Scott also handles the responsibilities of coaching the Frosh-Soph squad. This year's squad compiled an impressive record of 8 wins and 1 loss. The Frosh-Soph team slso participated in its first Holiday Tournament at East Peoria, where the squad also finished a promising second place. The squad also finished second place in the NCIC Conference Tournament.

When a coach wants to know what the future years are promising for him, he will invariably look to see what potential there is hiding behind the mask of his youngest charges. This of course is his Freshman squad. Coach DeJarnatt won't have too many restless nights in the future if this year's Freshman squad continues to improve in the next three years. Crowning of King and Queen Highlight Events a

alentine Dance Sponsored by the Class of '74

Reigning over the 1972 Valentine's Dance were King Bill Astary and Queen Linda Appenzeller. The annual dance sponsored by the Sophomore class was an all time record breaker, having nearly 500 people present. Additional money was raised by an original method used in choosing their king and queen. Students voted for thier king and queen with money, and the two people accumulating the most money, equal to the most votes, received the honors. Congratulations go to Bill and Linda and to all of the Class of 1974 for their work and effort in sponsoring the dance.

Dances Play Important Part of Student Life

This year's dances again played an important part in student life. Dances sponsored by many clubs proved to be successful as money making projects. One of the highlights of the year was the Earthen Vessel concert.

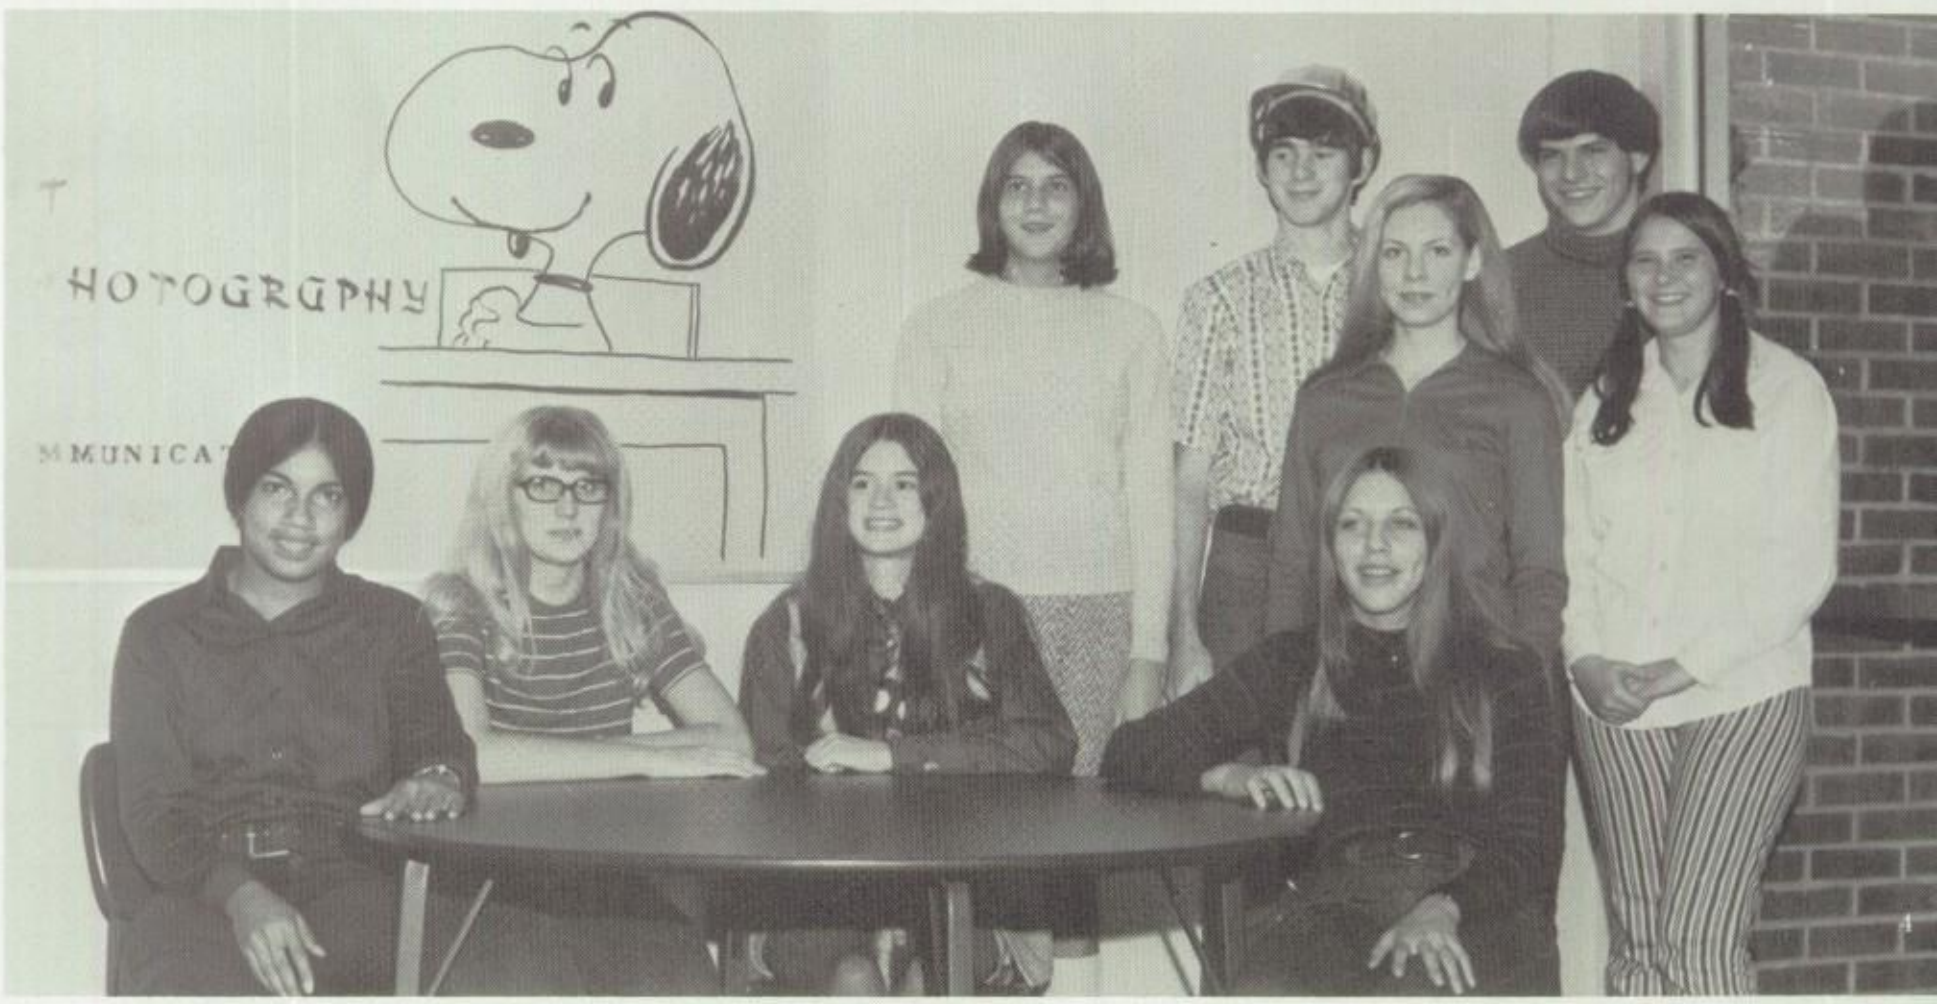
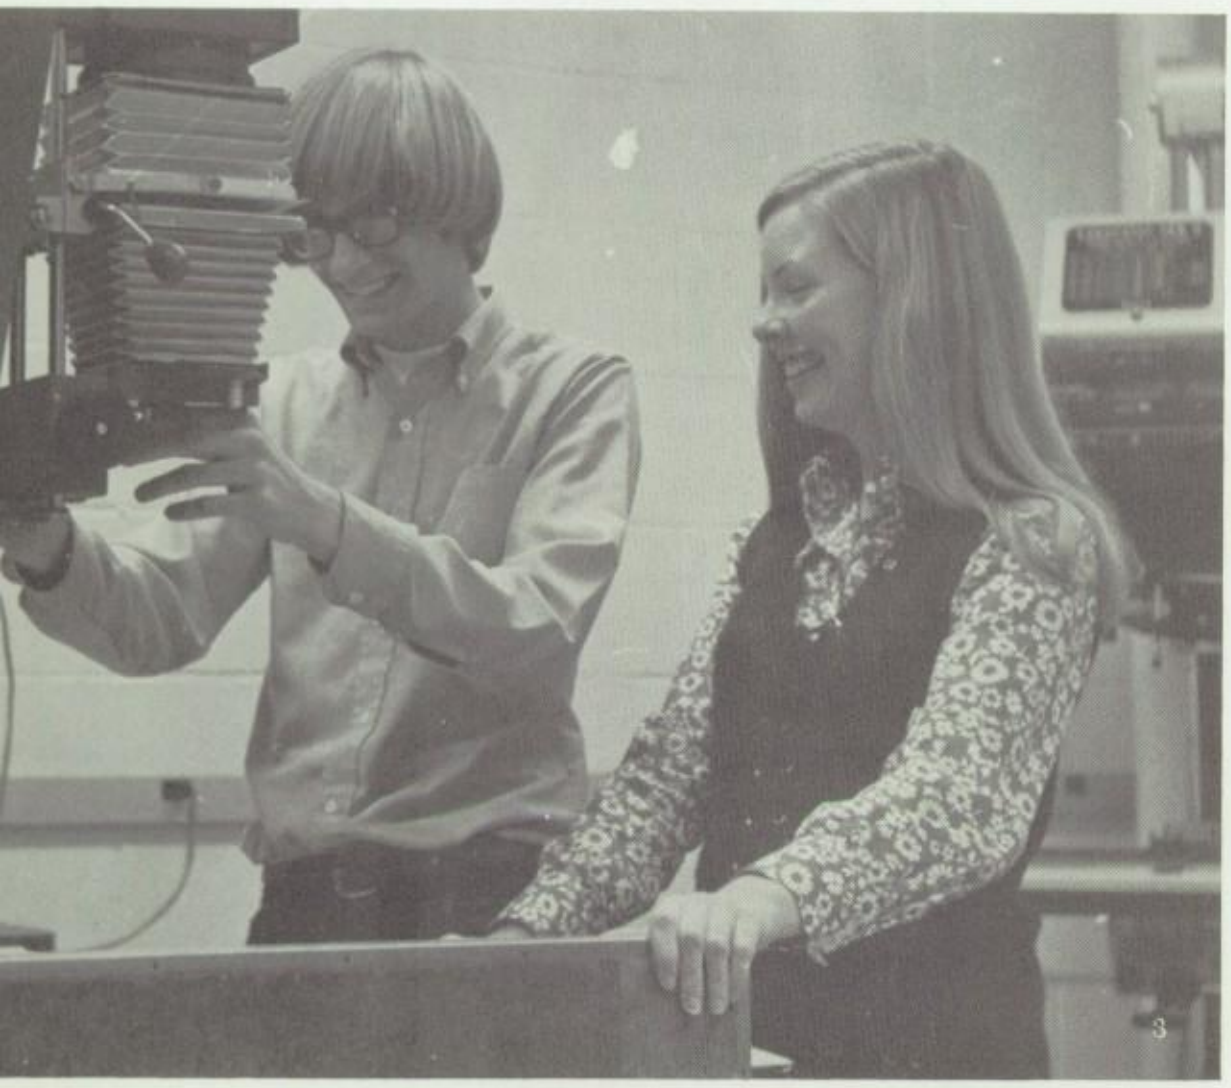
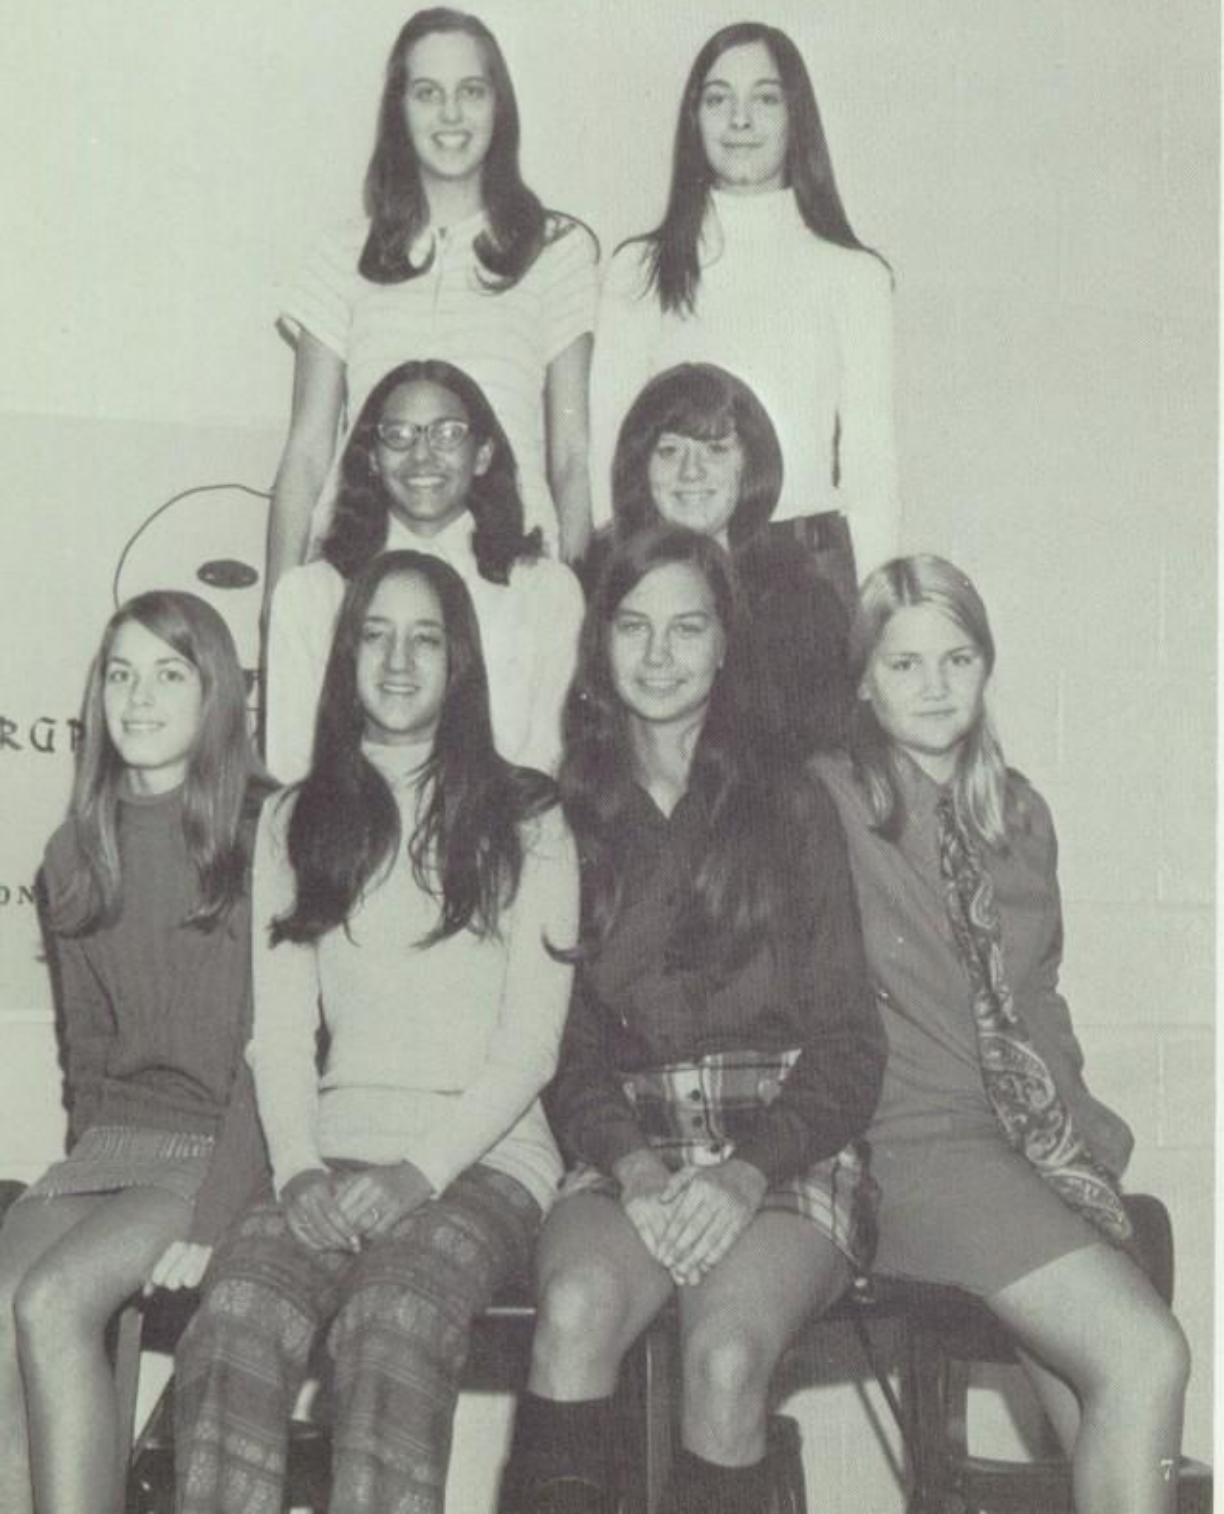
1972 Annual Staff Strives for



New Ideas and Creative Thinking





As in past years, the editors went to school fom one to two weeks during the summer. Jan Flynn went to the University of Iowa, Diane Appenzeller and Angela Rester went to the University of Michigan, and Poli Steeby and Robin Mumford went to the University of Minnesota. The basics were learned in layout, copy and photography. What was learned was then brought back to be shared and compared.

The production of the annual was advised by Miss Tenney who helped whenever there was a need. Mr. Miller handled the business end of the yearbook with the help of the business staff.

Script Strives for Interesting

Many people at Sterling Township High School know what the Script is. It is what you go trudging into homeroom every other Friday to receive from the teachers, hoping to find the many interesting articles. Every week a host of people work on writing articles, making the layouts, printing, and distributing the Script.

Included in the many Scripts this year are club and sports information, a News Digest, the Counselor's Corner, editori-. als, book reports, articles and pictures of both local and national issues, opinion poles, and Sterling's own version of Ann Landers, the Spirit of Wisdom who helped many a young person.

This year's Script turned from being just another paper to one in which students and teachers alike could find articles they could agree with, and articles that got people thinking.

Debate Problem Deals with Change in Jury System

Sterling High debaters competed in a dozen highly competitive tournaments throughout Northern and Central Illinois. Competition was entered on Varsity, Sub-Varsity, and Novice levels. The high point of the year was the Kewanee Invitational Debate Tourney where Sterling debaters won first place trophies in Varsity and Novice divisions. Other prominent tourneys were held at Illinois State University in December, Augustana College in January, and at the University of Illinois in February. The debate season began in mid November and was topped off by the IHSA Sectional competition held at Peoria on March 18th.

The contest speech activity developes speaking skills and earns recognition for the school. In addition to traveling to various schools, NCIC schools and those more widely located throughout the state, the speakers take on a busier schedule by performing for various clubs within the community. This year's team, consisting of students from all four classers, was able to win many awards for their school while adding poise and technique to their present speaking style.

1971-72 Proves Controversial to Student Counci

This year proved very controversial to the Student Council. The organization, under the direction of president Kradle, set up various activities and functions. To open the year the members sponsored a street dance which proved profitable to the organization. The next activity was a dance and collection for the Ramirez-Davis Fund sponsored by the council. Another activity was the Bundle Days drive which did not prove successful because of the disinterest of the students. Another charitable activity sponsored by the council was the Meals on Wheels drive. The council offered a generous donation, but again there was no active participation on the part of the students. The council sponsored the annual Homecoming which proved successful in every respect. The students in council and others interested began a quest for student lounge and more extended open campus privileges. Meetings were held with teachers and Board members to iron out difficulties in these areas. Council members were also exchanged with those from other schools.

SHS Was Well Represented in Service by Student

Jill Joseph was the fortunate winner of this year's DAR Award. She was chosen for her qualities of leadership, honesty, dependability, initiative, and service. The DAR Award, given by the Daughters of the American Revolution each year to a senior girl, recognizes this girl for her outstanding qualities as a good citizen.

This year the American Legion sent six senior boys from STHS to the annual Boys' State held in Springfield. Concerned with both the local and state governments, Boys' State allowed the young men to set up their own government and operate under the government, learning laws and procedures about it.

2. Boys representing SHS at Boy's State were LEFT TO RIGHT: B. Yemm, G. Helm, J. Book, N. Anderson, M. Gaumer, M. McCormick.

lans Made to Reorganize Present Monitor System

What is the role of a monitor? Checking traffic in the halls, running errands for the office, and picking up absentee slips are a few examples. Students give up their study halls to help the school run more efficiently, but sometimes their intentions are not so honorable. One of the arguments against the plan for open-compus was our inefficient monitor system. A Student Council committee was working on a reorganization of our present system that would be easily approved by the Board, Administration, and faculty. Such a revamping could be valuable in the adoption of the second step towards complete open-campus. Okay monitors! Show the school who has authority.

French Club Creates Successful Homecoming Float

The members of French Club were involved a little in school and community affairs. The Club members' float won two first places during Homecoming. Their slogan was "Lettuce bug the Dukes guardin'." The French Club also brightened up the Christmas time for someone. The members made up a Christmas basket for the needy.

The French Club chose these people to be their officers: President, Bill Bromley; Vice President, Sue Stanaway; Treasurer, Janine Sheaffer; and Secretary, Debbie McConnell.

Latin Club Can't Go Wrong Under T's Influence

Latin Club under the leadership of Magister Tinley enjoyed a worthwhile year.

The Latin Club began its year electing its officers. These included President Bob Picken, Vice President Lou Ann Miatke, Treasurer Bob Sutkay, and Secretary Lauri Sellett.

The club donated food for both Thanksgiving and Christmas baskets.

Through out the year members worked to earn money for their end of the year trip.

Working and having alot of fun made Latin Club worthwhile for all its members.

German Club Members Experience an Oktoberfest

The German Club members enjoyed an Oktoberfest which comes mainly from Bavaria. The members enjoyed traditional German food such as wienerschnitzel, German potato salad, and apple strudel. They also had a treasure hunt. Such an activity allows the members to experience and enjoy a typical German event. The German Club members learn more than just the language of the country.

The officers of the German Club were: President, Marcy DeWeerd; Vice President, Angela Rester; Treasurer, Pat Swanson; and Secretary, Janet Haglund.

Spanish Club Members Make Plans for Taco Party

The Spanish Club members again gave a Christmas party for children at Wallace school. Refreshments of milk and cookies were served, a Santa Claus film was shown, and games were played to entertain the small guests. Plans were made to go to Chicago to see a play. This much enjoyed trip has become an annual event. The club made plans too for a taco party.

The Spanish Club officers were: President, Letti Rodriguez; Vice-President, Sonia Lopez; Treasurer, Sylvia Hernandez; and Secretary, Mary Jane Fuentes. These people helped to organize several fruitful activities.

The AFS Program is Beneficial to All Students

One of the most rewarding programs that SHS has is the AFS program. This program is sponsored by the American Field Service. Through involvement in the family and at school, the AFS student is given a chance to understand our educational and social systems, and take these ideals home to her own country. Also, the student brings an understanding of her own country to the American students and family. Miss Burritt is the school coordinator who helps the AFS student at SHS.

Others involved in the AFS program are those students who travel abroad during the summer and study in another country. Jan Flynn travelled to Tasmania while Bob Picken travelled to Germany. The Student Council is also involved in the AFS Program. Each year it sponsors the Variety Show which funds collected are given to the AFS Program to help sponsor students abroad and students coming to SHS from other countries. Credit must also be given to those in our community helping with this program.

Underprivileged Children Given Christmas Party

To attain greater knowledge in the field of education the members of FTA invited special speakers to inform them of different aspects of education. This year's foreign exchange student, Kim Surathep, addressed the members in the educational system of Thailand. FTA also had teacher panel discussions which were of value to the members. The FTA also held a Christmas party for underprivileged children.

Careful Preparation Makes for Successful T.V.

The T.V. Production crews, supervised by John Rylander, worked very hard this year to make their programs informative to the students. Their efforts start at 7:30 a.m. Contrary to the belief that T.V.P. is snap course, the students must learn the main parts of the equipment used, how it is used, and combine this knowledge in learning to work the equipment. Programming jobs include management of lights, camera, audio control, and video control.

Science Club Searches for Answers of Unknown

The Science Club meets every other Tuesday during which Mr. Speer, the advisor works with the members, helping them to gain a better understanding of science. Guest speakers have spoken to the science club about the fields of science; its opportunities as well as factual information about it. The members involve themselves in experiments, individual projects, and watch movies about science and its development. The main objective for many of the members is advancement to the state science fair. Their projects represent much time and effort and although all of them don't make it to state competition, the knowledge acquired through their work is invaluable.

CWT and DE, Two Work Programs Offered at WAVC

Cooperative Work Training, one of five work programs at the Whiteside Area Vocational Center, is open to students sixteen years old. Approximately 90 to 95 students were trained under the CWT program. The participants work at a business for half of the day and attend school the other half of the day.

Among Diversified Education's career objectives are retailing, sales, marketing and managing one's own business. During the months of March and May, members attend the State Leadership Conference in Springfield.

Ag Related Involves Much More Than Just Farming

The participants in Ag Related do a lot more than learn about farming. Learning about a green house, meat cutting, being a feed dealer or a veterinarian are a few instances. They work with human relations — how to get along with people. It is important to be able to cooperate with future bosses, co-workers, and customers. The students learn important ideas. They must know about income to better understand budgets and then investments. They also learn about Social Security — how it works and how it helps. They learn about parliamentary proceedure and public speaking.

During past years, Sterling High School has enjoyed an excellent vocal department headed by Mr. Harvey Johnson. This year was no exception to the rule. Both of the choruses experienced an outstanding season.

Both choruses performed in the Fall Musical, Christmas Concert at the Junior High School, and the Spring Concert. Mr. Johnson stressed different varieties of music this year and the choruses showed that they were special and could do the job well with determination.

Many people appreciated the dulcet tones of these musically inclined young people; which is a fine reflection on the Vocal Department at Sterling High School. Mr. Johnson works with these young people during fifth hour every day of the school year in preparation for their next concert. Besides offering these people an opportunity to exercise their talents, it also affords Mr. Johnson a training ground for Robed Choir members.

Ten Sterling Vocalsits Attend All-District Meet

Madrigals is composed of a few voices from each of the four vocal sections. The Madrigals pop ensemble performed light numbers which were greatly enjoyed. Nine performances were given by mid-term before various bodies, often to benefit local charities.

The Stage Band is an integral part of the music curriculum at SHS. The aim of this group is to expose students to jazz and rock forms and to explore modern idioms. The band played at civic and school events.

This year fifteen SHS students attended the District Music Meet — ten vocalists and five band members. Of these, two band members were invited to participated in the State Meet. The recognition of these students is a credit to the music department.

The Band Is Beneficial to School and Community

Our band was directed by G. Jack Schuler in many performances beneficial to both the school and community. The band provided halftime entertainment at school games, concerts, parades, and community activities.

The Stage Band played at the annual Fall, Winter, Spring, and Concerto Concerts. They also appeared in Community Chest benefits.

The band as a whole participated in pregame and halftime shows at the football games and several concerts and parades. Some of the parades the band participated in were the Homecoming and Mexican Fiesta Day parades.

Several individuals from the band were selected to participate in the NCIC band.

1971-72 GAA Proves Fulfilling t

GAA is involved in providing an after school activity for girls. In the club the girls participated in events such as aerial darts, jogging, bicycling, bowling, basketball, badminton, tennis, and baseball. The girls sold Crickets and chocolate bars, and sponsored the coatcheck for all the basketball games to raise money. Throughout the year the GAA hosted activities for the girls, their families, other students. Along with building their bodies and minds they also built lasting friendships.

Orientation of the new members opened the year. Girls were introduced to the fundamentals of the club. The next activity was Dad and Daughter night. Games were played and skits were shown to all. A Thanksgiving basket was also gathered by the girls for needy families in the community. Mom and Daughter night was held in February to entertain the mothers. Many new girls became members at the annual initiation.

A spring dance was sponsored by the girls as a money-raising project. The money went towards the spring Tea at which awards and special honors were given to the members of GAA.
The governing body of GAA is the GAA Executive Board. This board meets once a month and decides what activities will be given per quarter. Decisions are also made concerning other activities.

Gymnasts Steal Show at Half-time Performances.

The Gymnastics Club because of its large membership last year had freshmen try out for positions in the club.

Beginning in October the club began practicing for its upcoming performances. With poise, beauty, form, and style the clubs' performances kept eyes moving and people amazed.

The club performed at halftime of basketball games, held their annual Inter Squad Meet, and was a main attraction in the "S" Club Circus. A new event this year was a 'Parent Night' when parents viewed a normal practice.

Officers were: President Mickey Williams, Vice President Mickey Kolis, Treasurer Lorna Geil, Secretary Cindy Kirchner, and Equipment Al Latch. The team was coached by Mrs. Nunemaker and Mr. Gould.

1. Robyn practices scales for her floor exercise as Cindy helps with constructive comments.
2. ROW 1: N. Nunemaker, R. Stanaway, D. Galvin, M. Pistey, D. Gould, L. Welch, K. Gould, ROW 2: B. Hudson, A. Galloway, S. Sloover, J. Haglund, L. Dillion, E. Greenland, K. Gould, C. Duden, B. 1. Clara Dias and Mike Pistey practice a doubles routine for the "S" Club Circus.
2. Jan closes her eyes, and hopes she makes her back straddle over the high bar.
3. Mrs. Nunemaker gives up on Mickey as he goes over the horse the wrong way.
4. Mr. Gould and Lorri Walton spot another gymnast as she practices her flip flops.
5. And she flew threw the air with the greatest of ease, with ropes on her waist to hold her.

Boys Enjoy Winter Intramural Basketball Program

The cold winter months, were made ; a little bit better when the young men o SHS participated in the much looked forward to intramural basketball program. The participants enjoyed a night a sport — just getting out to play basketball for the fun of it.

The Frosh-Soph and the Junior-Senior divisions of intramurals were directed by John Neahring. Perhaps the most highlighted event was in the annual "S" Club circus when the Junior-Senior All-Stars played against the faculty.

1. We're waiting, we're waiting, we're waiting for the shoot.
2. Mr. Neahring and referee seem to have a difference in opinion.
3. Nyle gives that basket rim the evil eye as he shoots for two.
4. Referee Doug looks a different way as Bill sprints around the court.

Pep Club Tries a Brand New Membership System

Pep Club tried something new this past year. Because the ratio of attendance to membership was really poor, a vote was decided on. If a student wanted to be in Pep Club and attend meetings, he put his name on a list along with others. A vote was then taken to see who would make a good, loyal Pep Club member and attender.

The new method appeared to be successful. The halls were decorated with more signs and crepe paper. This enthusiasm did not seem to dwindle during the year. More skits also appeared during assemblies. New ideas sometimes are good ideas.

1. They're cheering! Pep Club did it again!
2. FRONT ROW: L. Baird, N. Friday, D. Dietz, C. Breed, D. Hartshorn, D. Clark, L. Poulton, G. Juarez, G. Eigsti. ROW 2: C. Dais, J. Kimball, P. McMillen, S. Hubbard, Rhonda Garcia, M. Dettman, K. 4. Being S-Club President has it's advantages.
5. S-Club member, Tom Johnson, keeps people off court during basketball game.

ith Work for "S" Club Circus

This past year marked Mr. Bos's second year as director of the "S" Club. Bill Yemm acted as president, Joel Book served as secretary, and Tom Delgado was the treasurer.

"S" Club members sold programs at the football games, ushered at basketball and, most important of all, brought around the annual "S" Club circus.

The whole circus started off with committees which got together acts which produced one entertaining night.

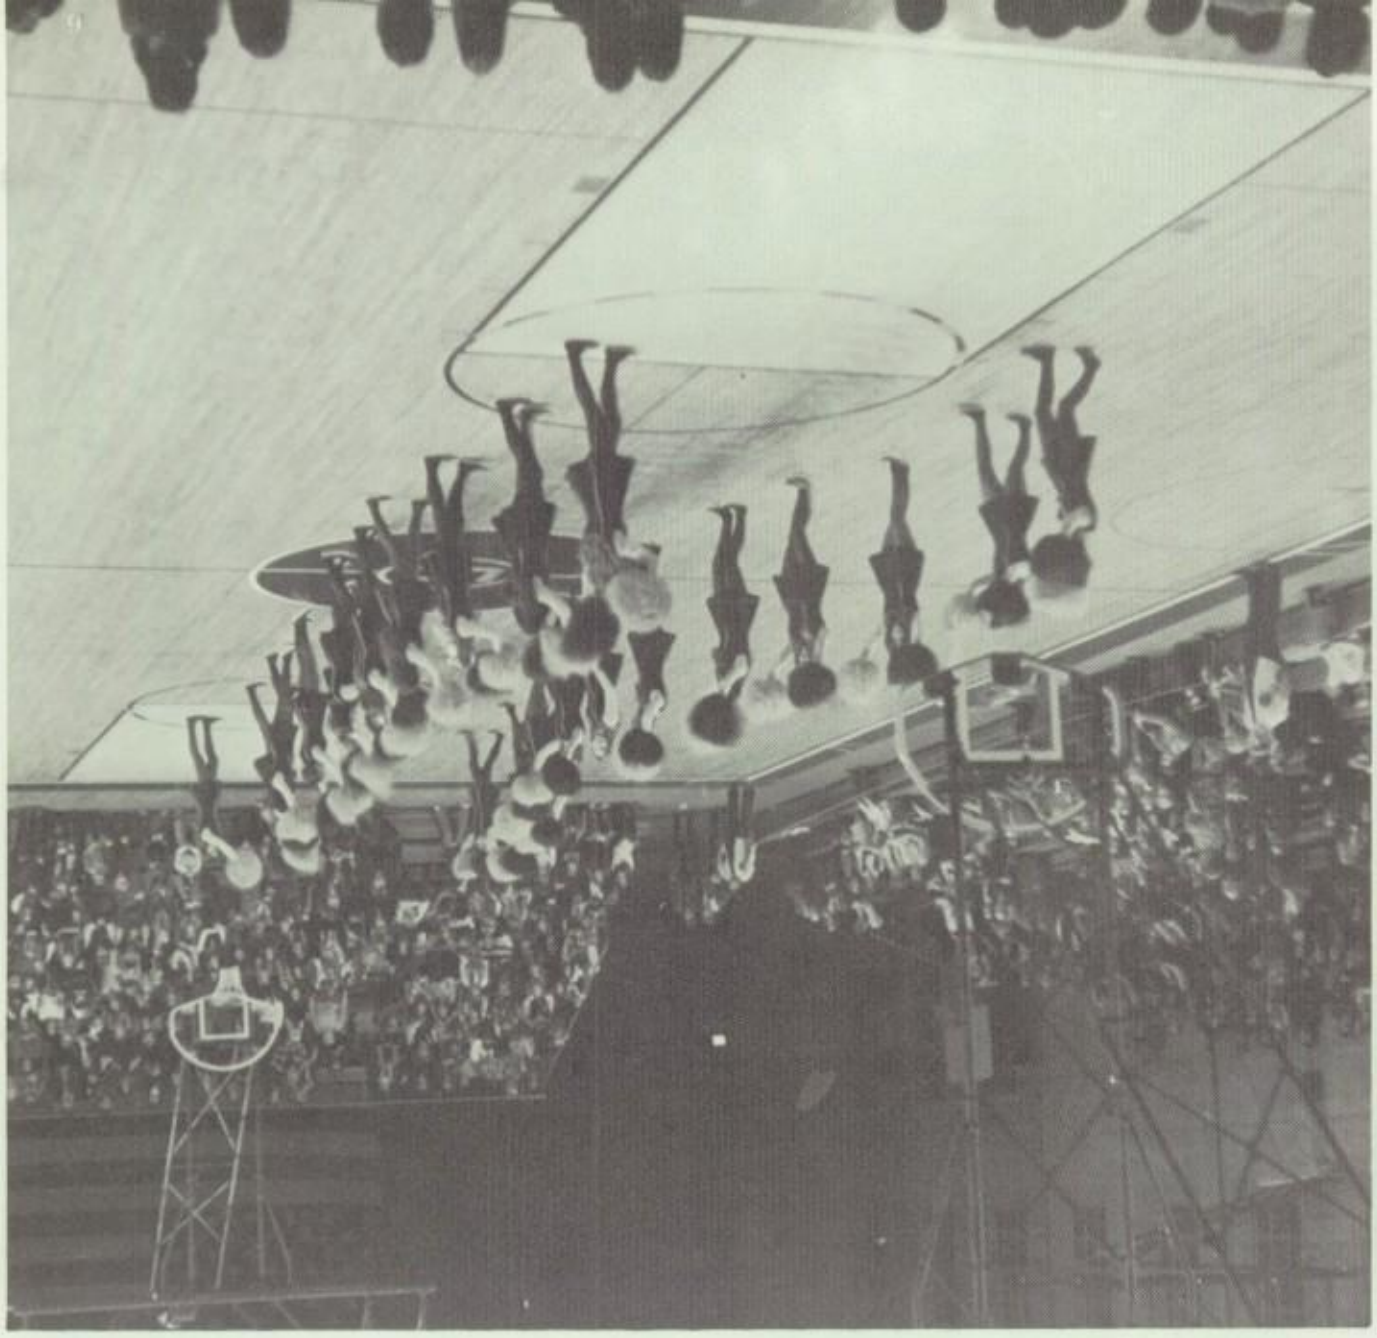
Spirit and Perfection Were Key Goals for Squad

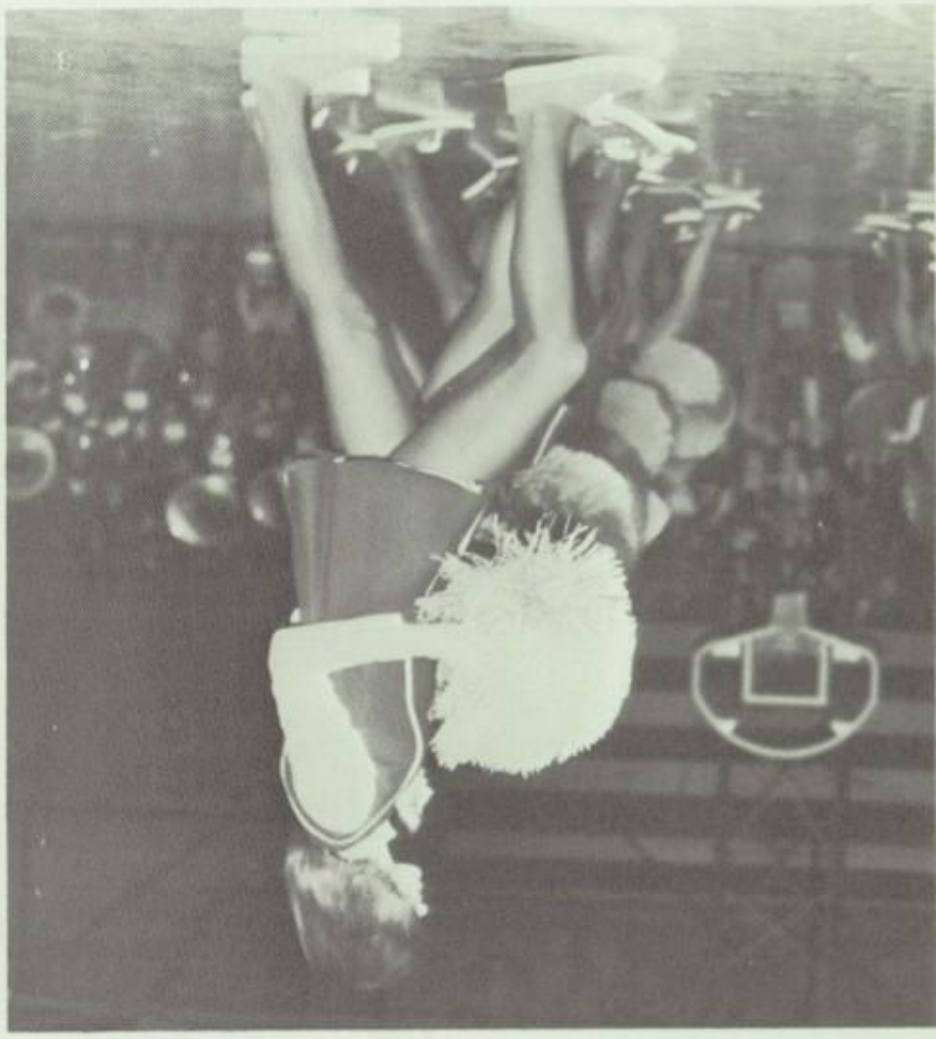
The 1971-72 Warriorettes showed much improvement over the past years' squads. In the spring of '71 the new squad was chosen by a committee of teachers. There were four returning Seniors, ten Juniors, and fourteen new Sophomores added to the squad. Even though over half the squad consisted of new members, the girls were able to learn the routines quickly and perfect them before the final performance. New and modern music was used for the march and dance numbers.

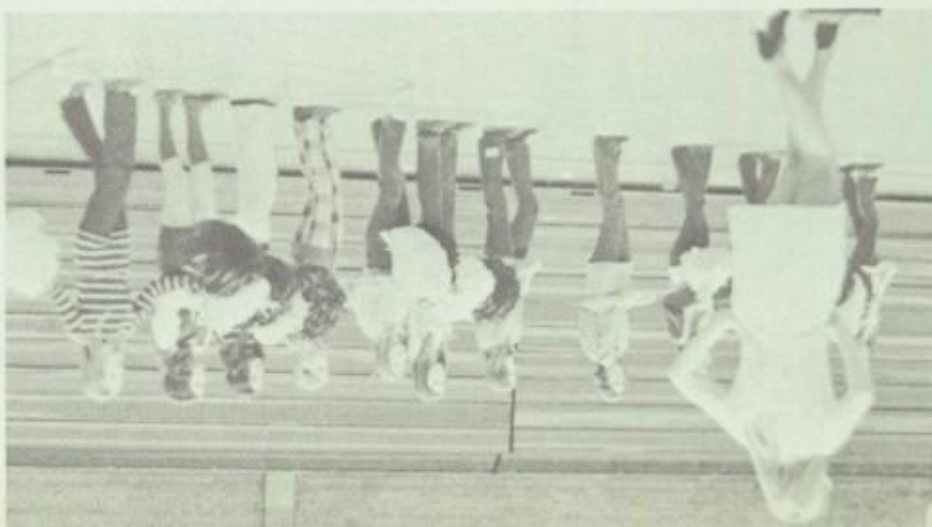
Among activities initiated by this year's squad was the annual Homecoming parade march through town. The girls sponsored an after-the-game dance during the football season which paid for the new pom pons. The girls also sponsored another dance which helped pay for the spring banquet.

The captain of the squad was Diane Appenzeller, the Secretary was Sheila White, the Treasurer was Julie Lawrence, and the Social Functions Chairman was Barb Powers. Special recognition must be given to the advisor, Mrs. White, who took many hours out of her day to help the girls. The new members show much promise for next year's squad.

1. Wow! Look at those flying pom-poms and those beautiful legs.
2. Mrs. White shows girls the correct stance.
3. Left, right, left keep that line straight.
4. Pom-pom officers put their heads together.
5. Clockwise: D. Wallen, J. Foulds, S. Hartman, D. Jamison, J. Sedig, D. McAnnelly, M. McGrath, L. Schrader, M. Hungerford, M. Gauthier, S. O'-Conner, C. McCormick, S. White, D. Appenzeller, J. Lawrence, C. Kontos, J. Hay, K. Mangan, V. Mackey, M. Wiker, S. Seloover, C. Swanson, P. Rutt, P. Reilly, M. DeWeerd.
6. Pom-pom Girls demonstrate an impressive half time performance for the audience.







1. It seems blowing bubbles is more important than listening to Mr. Zeigler.
2. Mr. Yemm gets to be weekend doorman at SHS.
3. In his swivel chair, Mr. Johnson talks with one of his students after class.
4. All that memorizing, early morning practices and hard work pays off in the end.
5. Juniors begin their upperclassman years with new and exciting experiences.
6. Yes coach I'm listening, but can't I please have another glass of gatorade???
7. Mike searches endlessly for the right word, but he forgot his hard hat!!!
8. T.T. proudly displays his Christmas present to wanderers in the hall.

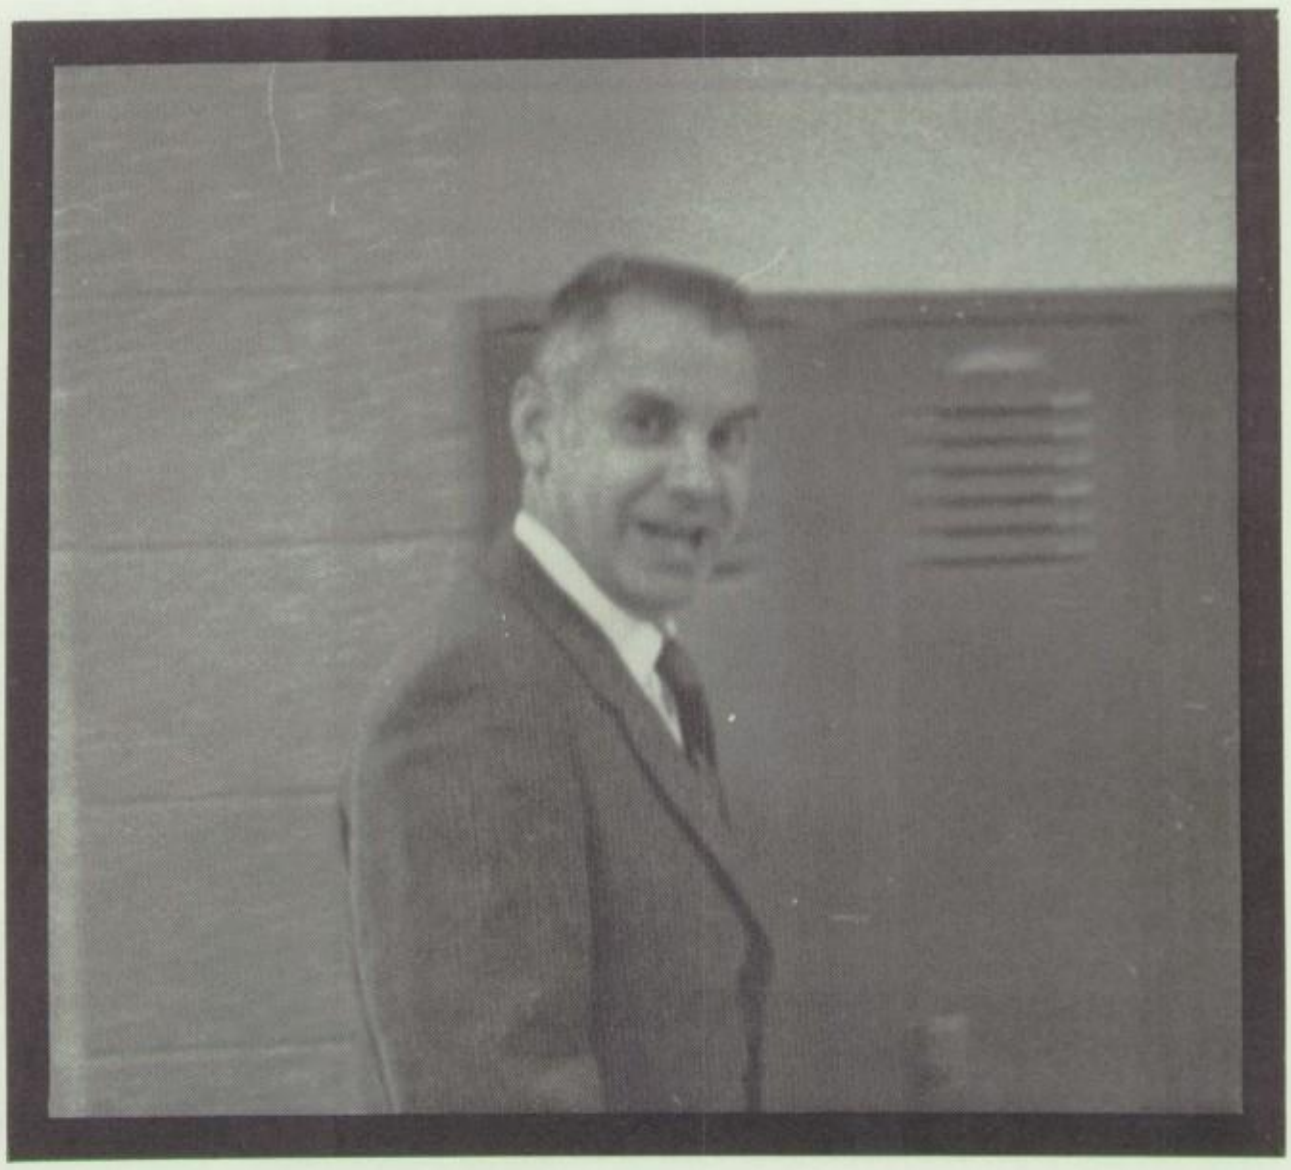
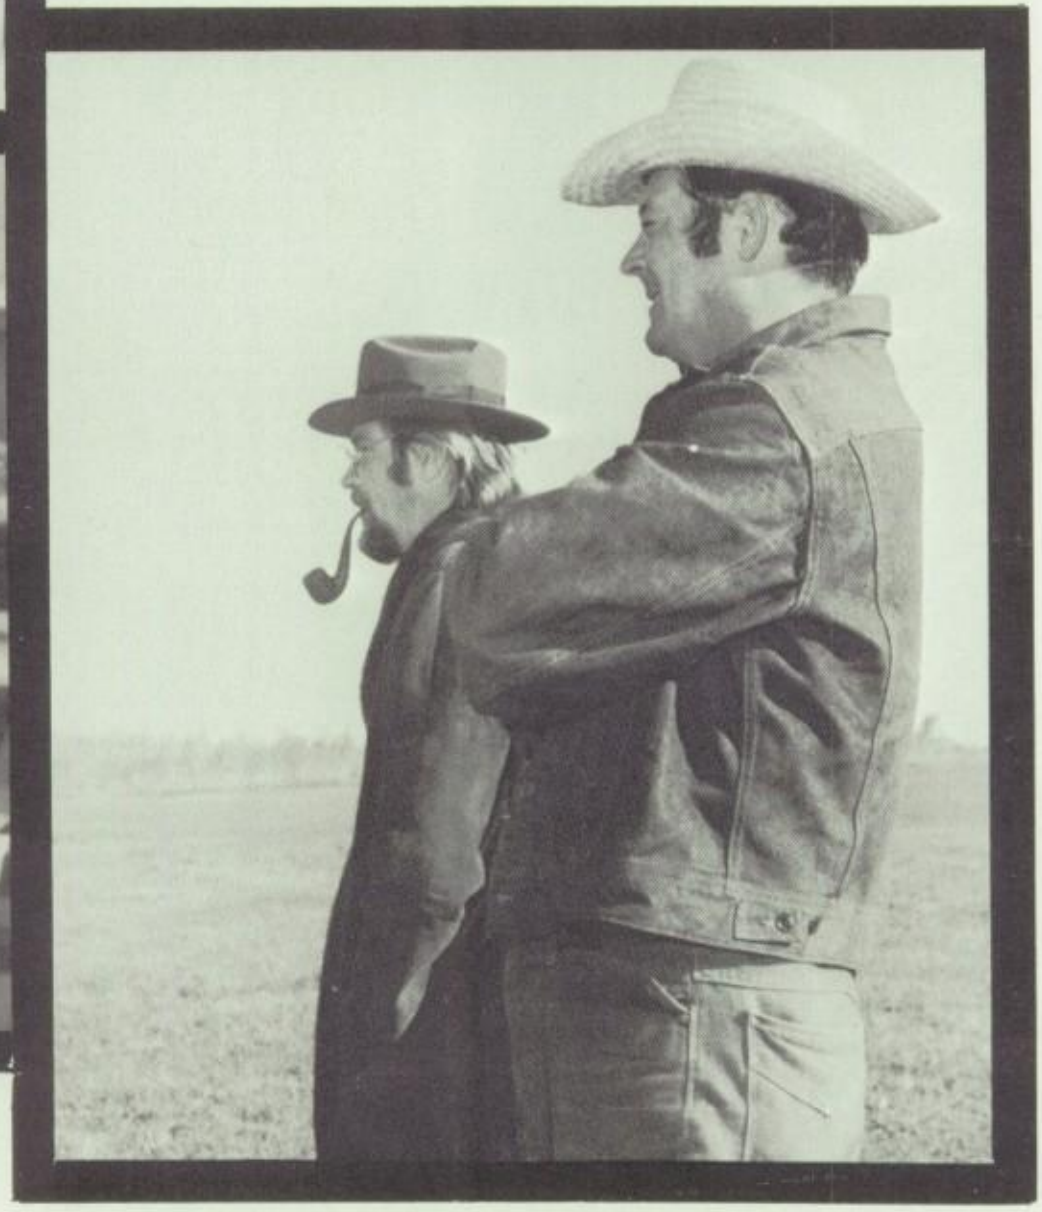
PEOPLE





"Goodwill Ambassador" Comes From

This past school year we have been graced by the appearance of Busaba "Kim" Surathep in the halls of STHS. Kim came to us from Phitsanulok, Thailand, a town of about 45,000 people. While Kim was here, she resided with the John Hay's and was active in National Honor Society, French Club, Robed Choir, and GAA. Kim found that it was not hard to adjust because the people were so friendly to her.

Kim also found many differences in the life styles of the countries. She found our foods were not as spicy as those she was accustomed to eating back home. Kim also noted that the relationships between the boys and the girls in America and those in Thailand are very different. She said that in Thailand there are fewer dances than we have and that the boys meet the girls at the dances. Kim also related that back home there is almost no going steady, something which many a young boy or girl from America could not live without. But perhaps the first and finest discovery Kim made while here in Sterling was WLS. She learned quickly where 890 was located and how to, in one flick of the wrist, switch the radio station from WSDR to WLS. If the qualities of the Thai people are embodied in Kim, then the Thai people have a representative that truly does them all justice.

2. Sometimes Americans need a little spicy food of Thai to perk them up.
3. Yes, even card games take concentration.
4. Along with fun and friends, Kim finds time for a few quiet moments to herself.
5. Kim relates American experiences to kids at home.
6. Just think, I have two families of my own.

Freshmen Learn to Cope With Fresh Surroundings

Remember freshman orientation? All that standing in line and waiting around and then the tour of the school; just to register. For the next few days, they wandered the halls looking for the elevator. There were times of desperation when rooms could not be found and time was running out. But things gradually settled down and they began to enjoy the life of SHS.

The freshmen really showed the other classes up when they secured a most coveted prize at the first pep assembly-the spirit flag. Their enthusiasm showed throughout the year as they cheered our teams on to victories.

As with many other freshman years, this year was filled with anticipation and waiting for the future. New experiences were met and conquered. There are more yet to come.

1. FROM LEFT TO RIGHT: Vice President, Lori Shannon; President, Pat Fortney; Treasurer, Chris Breed, and Secretary, Peggy Dietz.

2. Freshman is overcome with fear at the sight of her new surroundings for high school life.

3. It takes freshmen longer than usual to find their lockers and then to remember the combination.

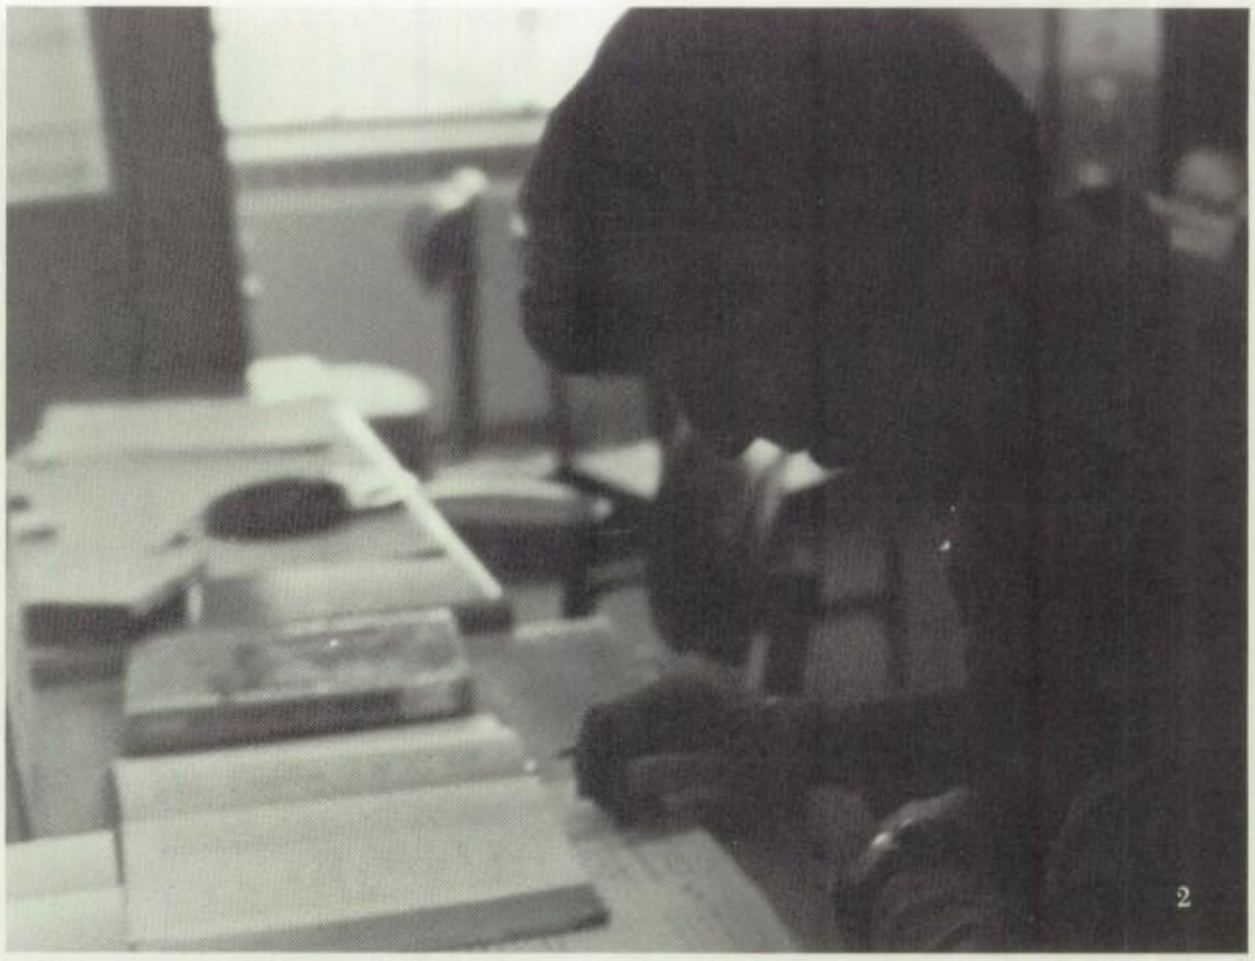
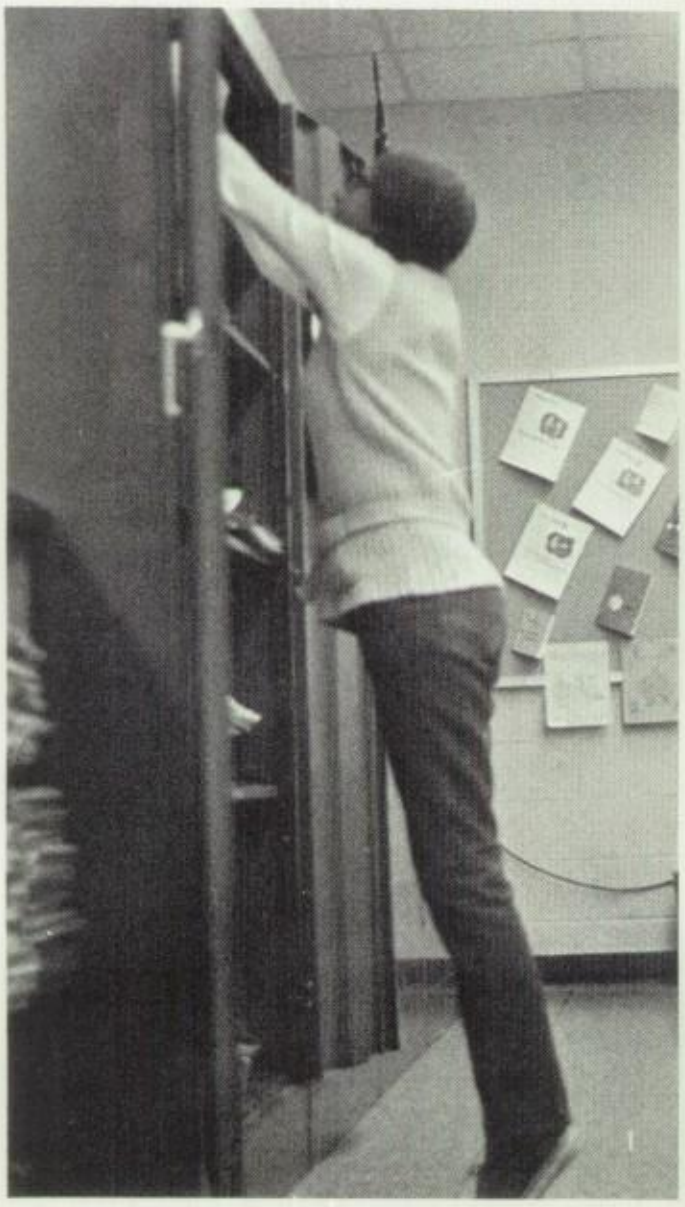
Sophomores Come Up With Many Novel Discoveries

Entering as confused freshmen and progressing into the sophomore year, the class of '74 really came along. This year they have become more at ease with school life. Now, they have their junior year coming up with its greater advantages and privileges. One great favorite is open campus.

Getting driver's licenses was the thrill to these sophomores. Giving up one study hall a week, they went to a driver's education class to learn the rules of the road. Another study hall was spent in behind the wheel driving. Remember seeing all those nervous sophomores? Remember seeing all those nervous pedestrians?

By the time the Sophomores graduate they will have many memories of great times.





1. Mischievious sophomore, Barb Rester, is found prying through a closet of a teacher off guard.
2. The smirk on Mike Stockwell's face reveals his true feeling towards 'hitting the books.'
3. FROM LEFT TO RIGHT: President, Victor Reyes; Vice President, Linda Appenzeller; Secretary, Nancy Greider; Treasurer, Barb Hand.

Juniors Incessantly Explore New Possibilities

The anxieties and expectations of becoming seniors are now uppermost in the minds of the members of the class of '73. They will become school leaders and must exemplify all the qualities of mature students to the undergraduates.

Prom was the main project undertaken by the juniors this year. Each long hour of planning and preparation gave the committee members a sense of responsibility and accomplishment and supplied the seniors with great memories of their last high school event.

As the juniors look back on their preceding year, they realize how quickly time has passed since their freshmen days and begin to look forward to their final year at SHS.

Class of 1972 Proves Worthy of Its Leadership

It is now time for the Class of '72 to say a last farewell to SHS. Remembering the past, there were many hardships that the class had to overcome as freshmen. Leaders emerged from this class and many fine athletes proved worthy of tough competition. Remembering the years as sophomores, the class exerted so much spirit that the spirit flag was won by them at the first pep assembly. The junior year proved trying to the class, and a successful prom emerged from the efforts of the students. As seniors the class had many examples to set for the underclassmen. The seniors led SHS in many activities and football proved to be a great sport for the class. There emerged from the class those who wanted changes, which were brought about through sound means. The class of 1972 deserves a great commendation on its efforts at SHS.

School Administrative Team Works for Students

The administrative team of STHS works hard for the students and for the school. It is the cooperation between them all that gets things done. Mr. Sutter, the Superintendent, served his fifth and final year at SHS this year. Mr. Watts, the Business Manager, handled finances and purchasing. The Principal, Mr. Yemm, was in charge not only of making the school run smoothly, but also of coordinating the Guidance department. The position of Assistant Principal was newly created this year. Dr. LaFleur who filled this position, coordinated English, Science, Social Studies, and Athletics. Mr. Mumford, the Dean of Students, maintained discipline and also coordinated the PE department. The Director of Development Research, Mr. Tonkin, along with Adult Education direction, coordinated Math, Fine Arts, Business Ed, and Foreign Language.

Yemm is found hard at work in his office.
HS Assistant Principal position is filled by
Fleur.

Board's Primary Interest Is Students' Welfare

This year was a controversial year for both the Board and Administration with many changes being made. The biggest problem the School Board faced this year was the budget. Of primary interest to the board was the student's welfare, although some members of the community tried to place the students second.

The controversy of Dual vs. Unit District continued. A suit was filed and the vote regarding Unit District is pending a decision by the Appellate Court.

English Aids Students in Proper Use of Language

Learning the structure of a sentence, reading and discussing poems, trying to understand symbolism in short stories, and writing many compositions, essays, and themes, are all part of the Sterling Township High School English courses. All of these activities are designed to help the students. English is an important part of the Sterling High School curriculum. Students have no need to ask why they take English courses.

Just before his senior year, a student has several interesting selections from which to make a choice. The students may choose between contemporary literature and English literature, English readings, expository writing, journalism, and public speaking. After taking three years of English, a student receives a fairly good idea of what he is interested in. He may then enter a class which he should enjoy.

Math Plays Important Part in Modern Technology

The Math Department strives to offer all students an interesting and useful mathematics curriculum. One of the goals of the department is to teach the students how the math can be put to practical use. For students interested in occupations there are Technical Math, General Math, and Business Math courses. For the students that plan on a math major in college there are the advanced classes of algebra, analytical geometry, and calculus.

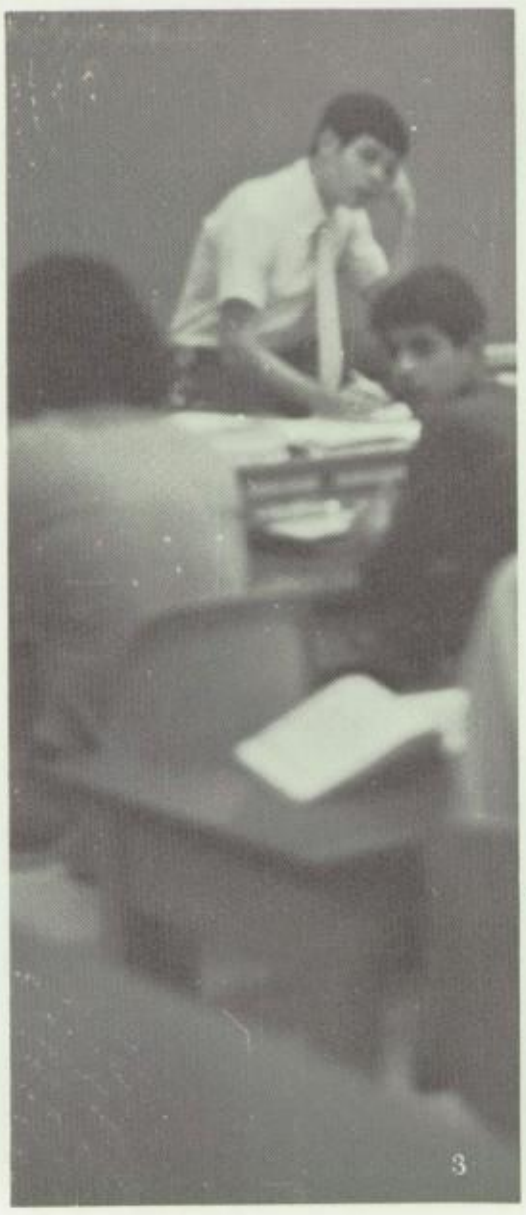
With the advancing technology of the day there is much emphasis put on mathematics. The math teachers at SHS have done a fine job of introducing students to modern techniques. One way this is accomplished is through the introduction of modern textbooks to the students. Modern apparatus is also being used as an aid for efficiency in mathematics. The Math Department is to be commended for work well done.

1. Mr. Mac Murry intently ponders the latest theory of Abraham Schwartz.
2. Between his puns, Mr. Van Wyhe teaches math.
3. Mr. Paris does a repeat performance picture for this years' Warrior.
4. FRONT ROW: B. Booth, J. Sasek, C. DeJarnatt ROW 2: R. Mac Murry, J. Scott, R. Van Wyhe, M Paris, J. Neahring, C. Sherman.

The Science Department Unfolds Many Mysteries

Chemicals reacting, preserved biological specimens, and using the laws of physics all paint a picture of what occurs in the science department. The students receive opportunities to experiment for themselves. Many times a fact is known; but how can it be proved? How should the experiment be executed? What do the results of the experiment show? Finding these answers, learning the theory behind facts, working problems, and reading the information filled textbooks are all an active part of a science class.

There are many different areas of science. Sterling Township High School offers a large enough variety to satisfy any student. There is a course for students not wishing to pursue science. There is also a program for those who are interested.



1. FRONT ROW: M. Mee, C. Sherman, D. Steeby. ROW 2: L. Johnson, J. Zeigler, G. Speer, R. Batley.

The Social Studies department of SHS makes available to the students a wide variety of stimulating courses.

These courses are intended to give the students a basic understanding of the social science area.

Honor courses were once again a part of the department's offering. These programs were in the areas of US History and government. These courses are designed for the better student who wants a deeper insight into these areas, and for the student preparing for a career in these fields.

Regular social studies classes proved to be just as interesting to the students in those classes. Social Science Survey, World History, Economics, and Sociology all proved to be popular courses. Two new courses were also offered this year: Comparative World Cultures and Latin American History. The World Cultures courses was described as "the most innovative course to be introduced here in ten years."

P. E. Involves Much More Than Merely Exercising

P. E. classes not only involve exercising, they involve trying one's hand at new games and sports, finding ways to express oneself through movements, having one class where a student can feel a little relaxed and enjoy his freedom from books, and getting, at times, extremely sore. Sometimes, the participants in a class begin to get tired; just think of the P. E. teachers that exercise most of the day. After being active all day, many of the instructors handle extra-curricular sports. This makes up a busy week.

The P. E. teachers not only work our bodies, they work our minds. These teachers are involved in more than instructing P. E. classes. They also spend time teaching and preparing for physiology classes.

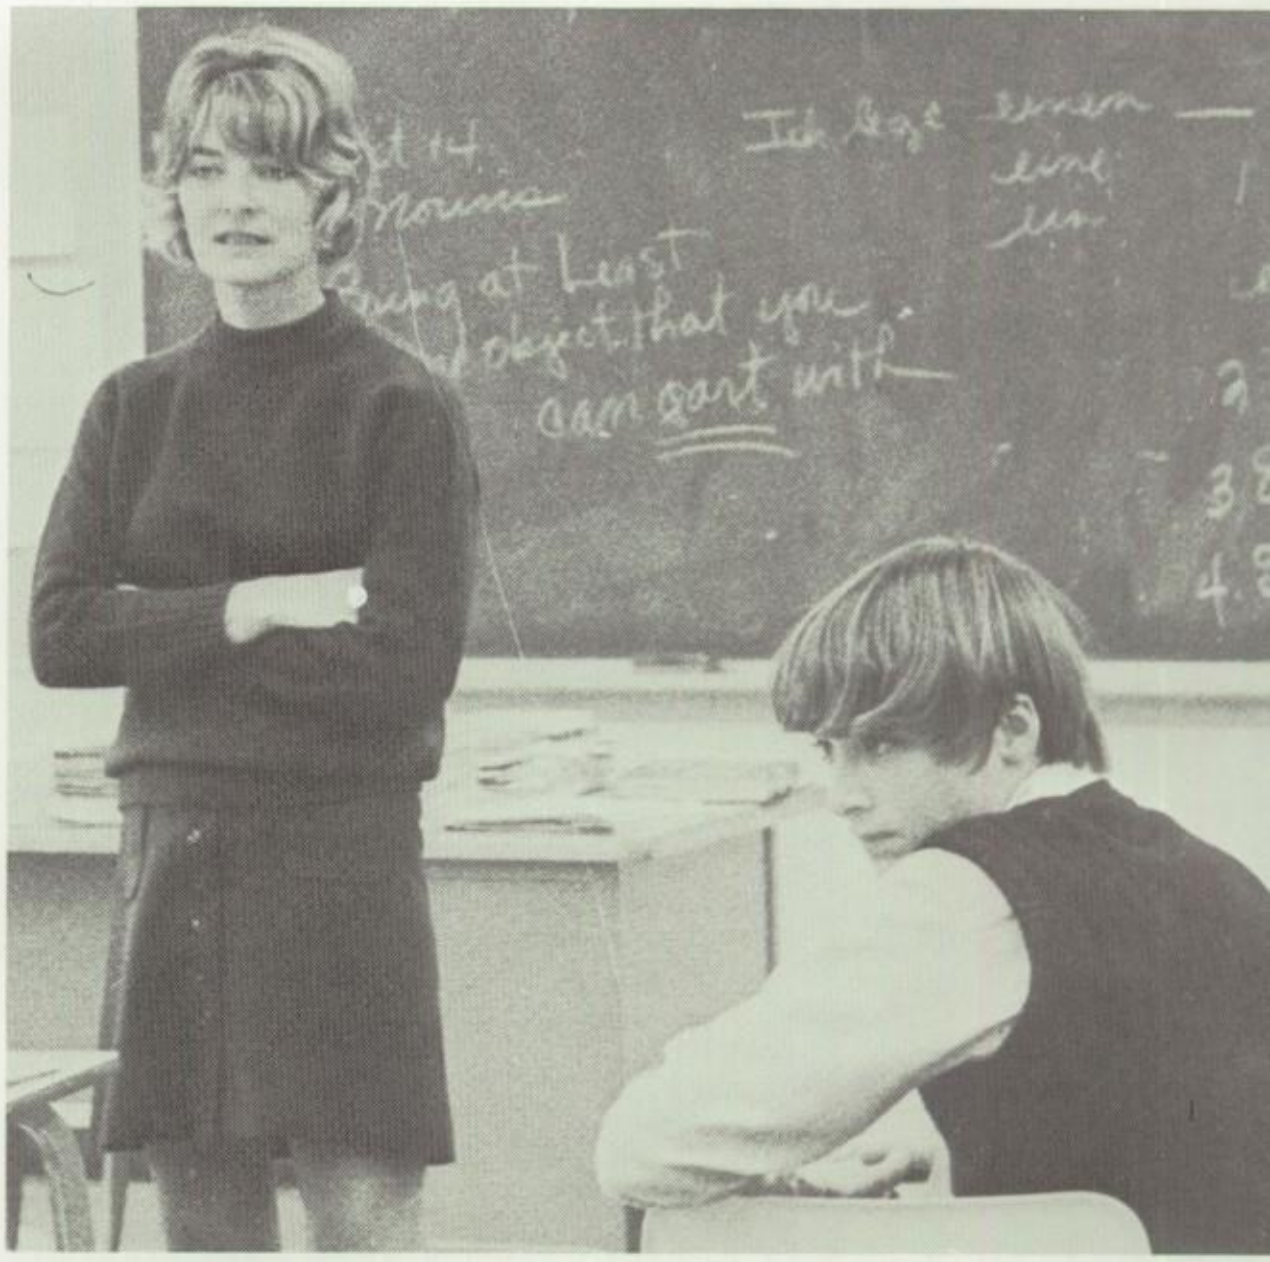
Foreign Languages Are Valuable to the Students

Many students spend one hour a day in a foreign language class. Be it French, German, Latin, or Spanish, much effort is required. A student not only learns how to speak a language, but also about a people.

The teachers have varied methods of instruction available to them. There is the usual class conversation where the student attempts his hand at conversing in the foreign tongue. The language lab allows the teachers to give individual instruction through tapes and direct conversation with the student. Many movies, films, and books are available to aid the student in the knowledge of a language and a people. If a student wishes, he may pay to get pen pals from other countries. This way, students receive first hand knowledge about a country. Often, these letters are brought to class and aid in the understanding of the customs and language of others. Besides classroom activities, there are the language clubs. There is usually a meeting a month. In these meetings, the club members learn about a country and enjoy many kinds of activities.



1. Mrs. Johnson and Doug check out the class.
2. Miss Straw plays hide'n'seek with students.
3. Mrs. Zigler finds French well worth a smile. C'est bien, n'est-ce pas?
4. FRONT ROW: R. Straw, T. Tinley. ROW 2: E. Zigler, B. Griesser, N. Johnson, N. Kuhnert.

Teachers Offer Useful Skills to Prepare Students

The Industrial Arts department gives students a chance to learn about industrial life. These courses help to prepare students for life after high school. Students learn how to run machines, draw graphs, and fix cars.

Many students take these courses during their freshman and sophomore years to find out if they would like to continue in this line of business. If students do decide to continue in industrial arts courses, they may take more advanced courses.

The Home Ec department prepares girls for a future as a homemaker. The home ec courses deal not only with cooking, sewing, and child care, but girls also are taught how to balance budgets and deal with other financial situations. Girls learn all the basics of cooking, sewing, how to take care of a family and home of their own, and anything else a girl has to know to be the "perfect" housewife. As one walks by the home ec room, there is the delightful smell of success.

1. Kim thinks sewing machine belongs in chorus.

3. Two home ec. teachers S. Nordquist and M. Scott.
4. Miss Wurmle is puzzled by a new discovery.
5. Marv displays discipline and a work of art.

Librarians, Fine Arts Teachers Offer Enrichment

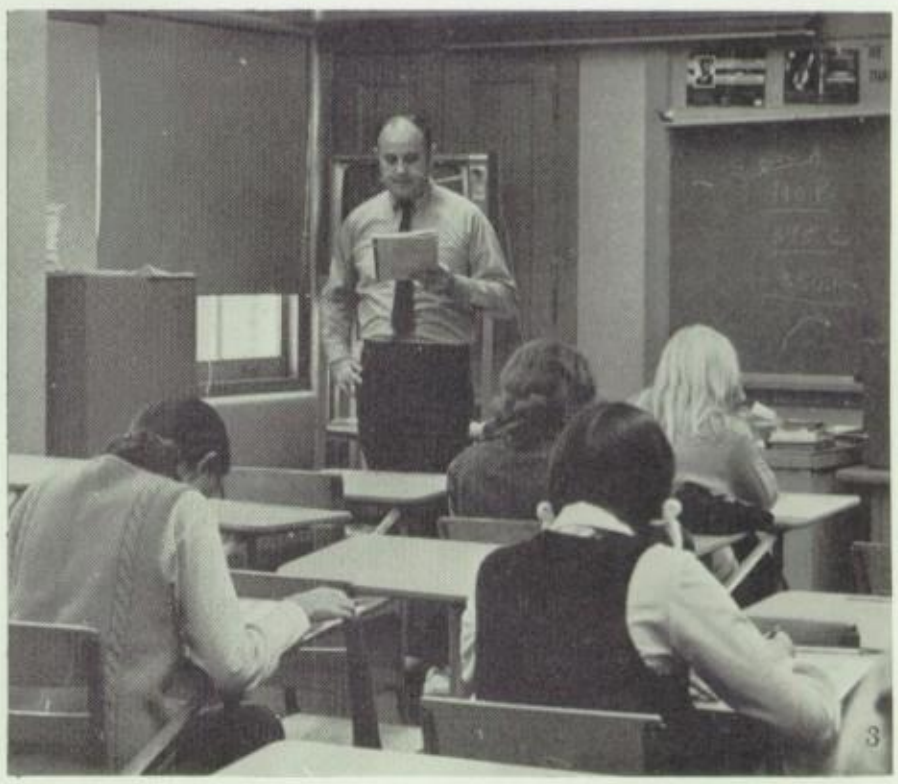
Students interested in the finer things in life such as great literature, music and art should be well acquainted with our librarians and fine arts instructors. Working diligently, the instructors provide the students with many opportunities to advance their studies in their particular interest.

Spending many hours in the music rooms, Mr. Schuler and Mr. Johnson work with their students to provide the community with musical enrichment. The art teachers instruct their students in great art as well as things as simple as blending colors. Being attached to the library, the librarians are always around if you have trouble finding a book!

1. Art teachers, Arthur Nearhing, Nancy Zellar.
2. FRONT ROW: Arlene Heath, Library Technician; . . . Barbara Osborn, Librarian. ROW 2: Carolyn Dugan, Secretary; Nancy Smith, Library Technician; Jackie Robison, AVA Secretary.
3. Music Instructors: Harvey Johnson and G. Jack Schuler.
4. Between lessons and band practice, Mr. Schuler takes a short break to relax.

Counselors Offer Much Service to Students

The counselors at SHS have aided many students with a variety of problems; both scholastic and personal. Scholastic problems brought to the counselors included decisions on whether or not to change classes and other such problems. The counselors also aided in scheduling for following years. Personal problems were also discussed with students. Advice was given to the seniors on their plans for the future. The counselors have shown that they are a hard-working group of individuals, dedicated to helping solve student's problems.

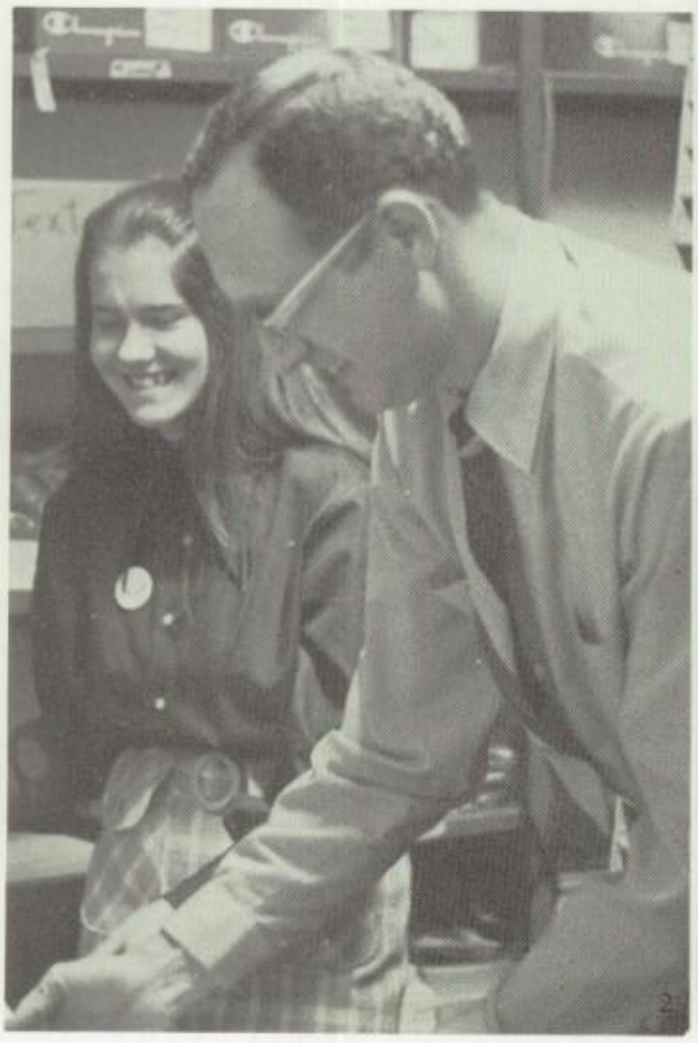


1. Counselors: T. Cannell, J. Bishop, D. Burritt, H. Cherry.
2. Special Education Instructors: R. Barber, K. Bos.
3. Mr. Cherry gives the group guidance instructions for the Kuder Interest test.
4. Mr. Davis displays his fu-manchue.

Time Is Spent by These Teachers to Aid Students

Both the Business Ed and Driver's Ed teachers are people who use extreme patience. Business Ed teachers instruct our students in the use of basic mechanics which enable us to use terrific manual dexterity. Bookkeeping and consumer economics are now a snap due to the continued efforts of these hard working instructors.

A hand must be given to the Driver's Ed instructors. These men take on, at times, one of the most nerve racking jobs known to man; instructing students in the art of driving. Many an emergency brake has been used in their effort to maker better drivers of us all.



1. SEATED: Trudy Long. STANDING: Jeanette Wickey, Bob Hankins, Donald Olson.
2. Mr. Hankins instructs student helper at bookstore.
3. Dr.'s Ed. Instructors, June Lee, Raymond Gibble.

Students Receive Health Aid From the New Nurse

Mrs. Betty Maresh was the new school nurse who took the place of Mrs. Muriel Kruse. The nurse had the job of taking care of those who turned ill during school. She also took care of those who fell ill merely to escape the confines of the school.

Study hall teachers did not spend all hour giving lectures nor did they assign long lists of homework. Instead, they spent time telling us to "keep it down" or giving us looks that we knew meant that unless silence prevailed, heads would roll. There were quite a few people that wanted to study. This is where the study hall teachers came in. They helped us to keep silent for one hour so that we could study. Without them, not many of us could keep quiet. Let us face it, we should be able to keep quiet for just one hour.

1. V. Piper, N. Zion, E. Mumford.
2. New nurse, Betty Maresh goes through files.
3. Mrs. Zion gives evil eye to noisy students.

Vocational Center Diversifies Education at STHS

The students of Sterling Township High School do not really know how blessed they are, for on the school campus we have a building set aside for those people who know what they want to be in life and wish to pursue it now. To some people it's a long, cold walk from home room when there is snow on the ground, but to others the vocational building is a training ground for their future occupations. Students can prepare for the business world in Cooperative Office Education, for ownership of a business in Distributive Education, and can get a job in Cooperative Work Training.

In the 1950's Mr. Roscoe Eades and many others had the foresight to try to bring to Sterling a Vocational Center. They knew that while machine shop and Home Ec. served the needs of some students, still many of the students had set their goals and were offered little chance to prepare for them. Thanks to the work of many people we have the Vocational Center and the excellent opportunities afforded by it.

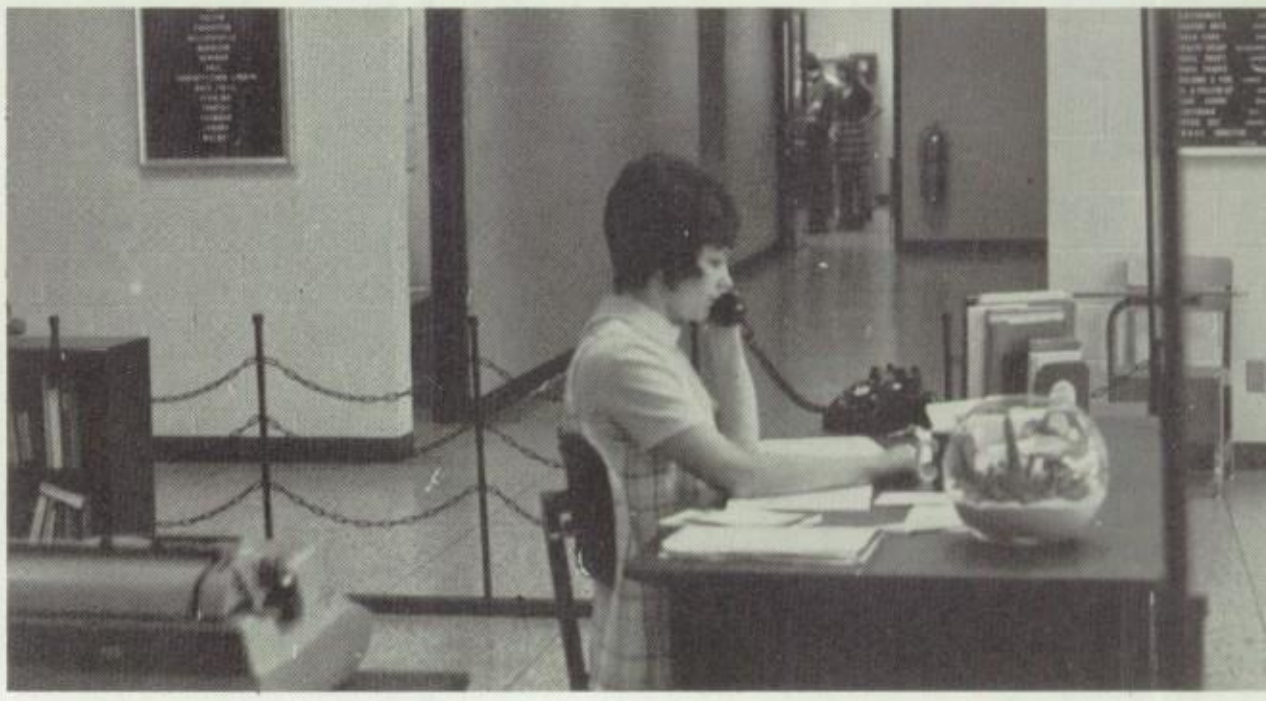
1. Miss Still is captured conferring with Debbie.
2. Only the "brave" offer their cars to STHS.
3. FRONT ROW: J. Still, K. Kearby, P. Leinbach. ROW 2: R. Miller, R. Barragree, M. Shaver.
4. SEATED: K. Hanson. STANDING: L. Greth, D. Carr, E. Holmes.
5. FRONT ROW: M. Johnson, E. Bangston, D. Rechkemmer. ROW 2: K. Johnson, J. Rhodes, R. Johnson, C. Linschied.
6. Mr. Miller orders a fourth cup of coffee for his desk.
7. All teachers seem to have to have a cup of coffee in order to teach class.

Clerical Staff Is Ever Busy and Efficient

What is a secretary? She is a person of never ending duties. She types an infinite number of letters, spends time and frustration balancing figures and books. She finds time to do things that no one else can find time to do. She is a part of the clerical staff — always busy, pleasant, and hard-working. Much thanks must be given to these ladies who do so much.

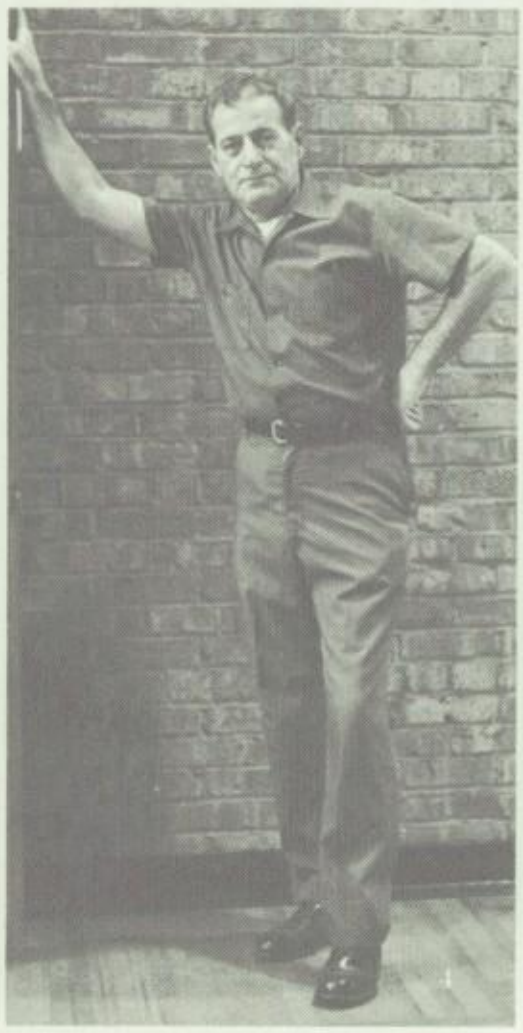
Have you ever wondered who takes the soap off of our windows? Have you ever wondered who cleans the halls and the rooms? The answer is the ever busy and pleasant maintenance staff.

There is always a custodian or a cleaning lady in the building trying to keep the school clean. They do succeed in the large task set in front of them and do a tremendous job.



1. FRONT ROW: Jan Player, Virginia Wolfe, Lois Slick, Betty Cushman. ROW 2: Marian Bohnart, May Burch, Donna Nelson, Pat Bellini, Susan Tenney, Judy Jenkins, Lois Schwieman, Ann Potts.
2. With office in lobby of WAVC, Secretary Ann Potts works under observation.
3. Secretary May Burch types with a smile while secluded in Mr. Tonkin's office.

Maintenance Staff Helps Keep the School Running



1. Edgar Rickleffs and Bill Sutton — the night men at STHS.
2. BOTTOM TO TOP: Eunice Hackbarth, Yvonne Peirce, Leora Reed, Jeannette Johnson, Doris Stern.
3. Mr. Maple stands ready for inspection.
4. Mr. Ricedorf keeps things running smoothly at the fieldhouse.
5. Among Mr. Bradshaws duties, is keeping the building together.

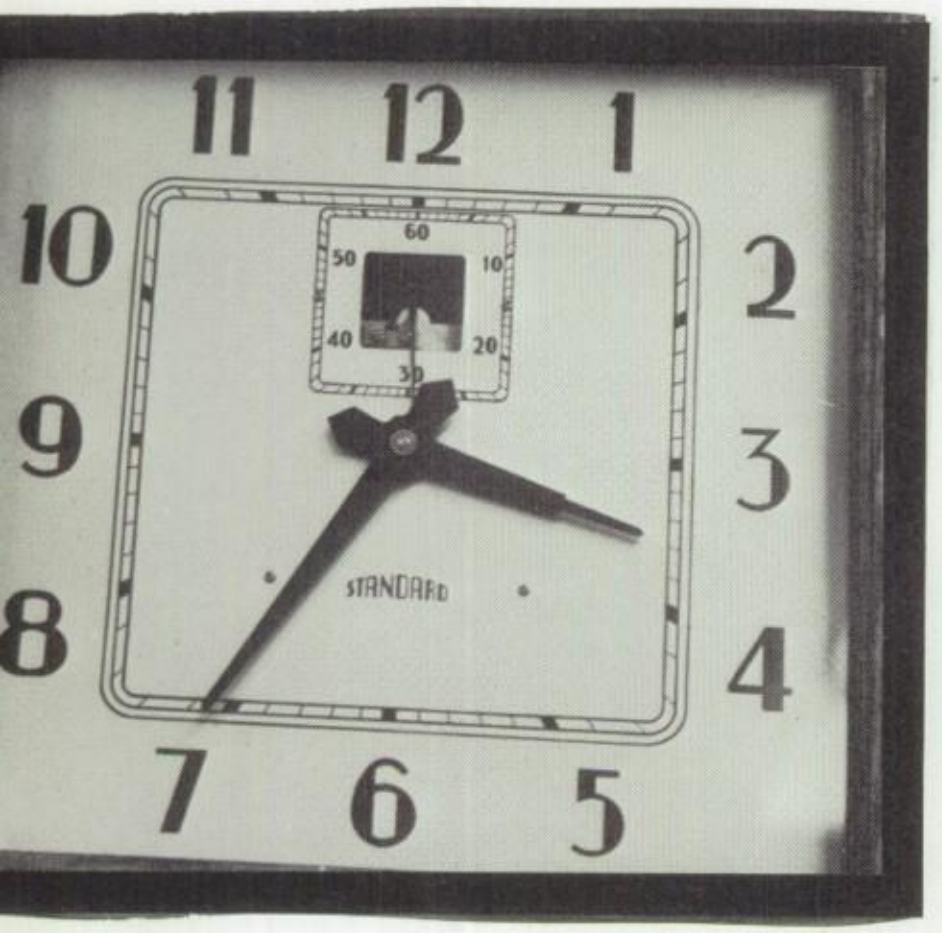
Here we come

People laughing,

People crying

Here we come



People doing, people trying

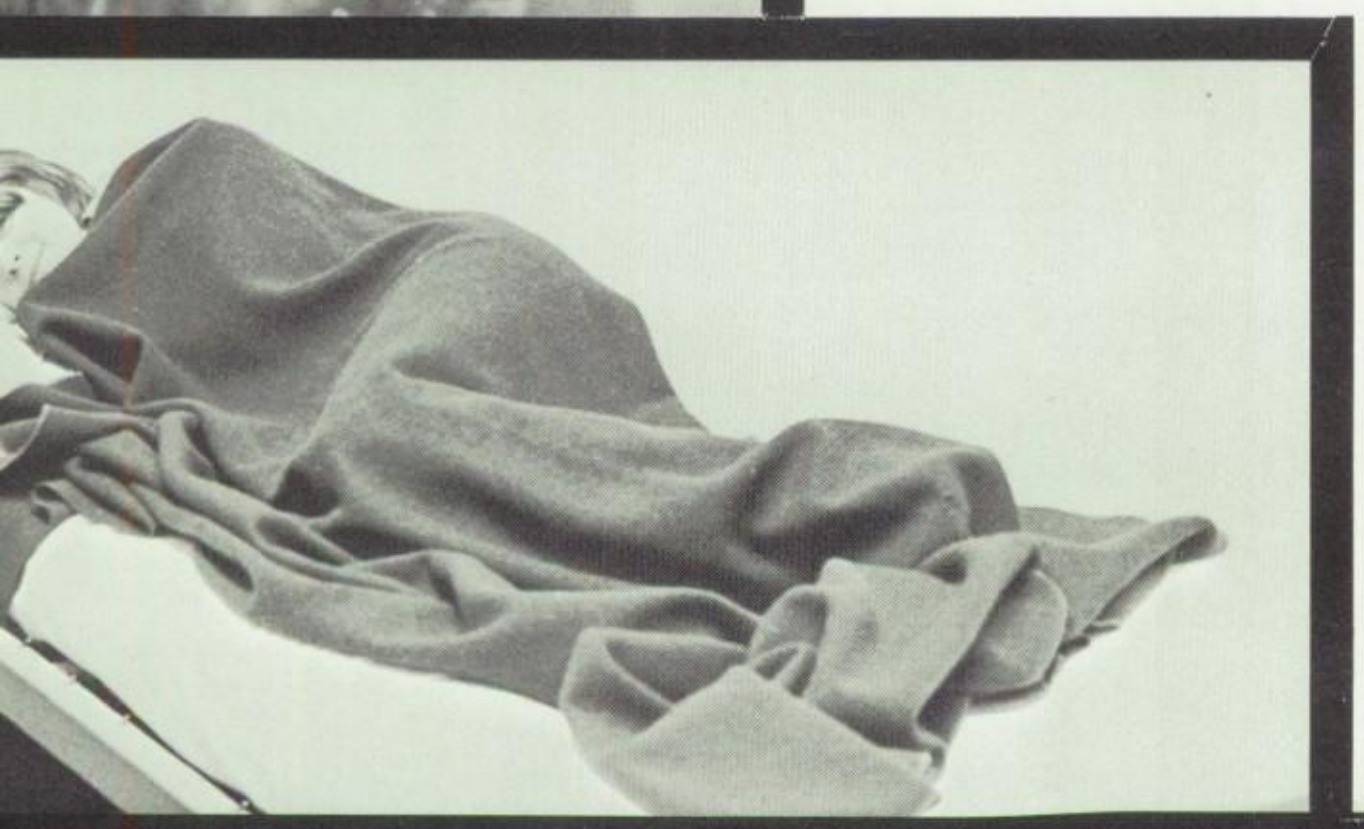
People selling, people buying

People living, people dying

But demanding recognition

One by one

Here we come



The final page has been completed and with it a sealing of our memories — the excitement, disappointment, frustration, and long hours into the night — all which contributed to this year's Warrior. Our special thanks to John Persona Jr. who gave much valuable time to help us with photography, Mike Gardner, our representative from the American Yearbook Company, for his valuable suggestions and his present of a new cropper, Ramond Miller who handled the financial aspects of the book, and Susan Tenney, yearbook advisor, who gave time and patience — much more than one can realize — to the staff and others throughout the year. Thanks also go to Robin Mumford, Angela Rester, the yearbook staff, the student body, faculty, and administration for the cooperation needed to produce this book.

The 1971-72 school year brought many new people, many changes, and much controversy to SHS. We hope this book will reflect those changes and the effects upon the people.

The theme was chosen to express the idea of individuality rather than conformity at SHS. We would also like to add some last thoughts at this point. A year's hard work went into this book to capture for you the events and memories that will fade over the years to come.

You have been given the chance here at SHS to be an individual, not just a number or a face in a classroom. You are an individual! You live within an even smaller world than Sterling High School. You live within the world of self. If you find the need, you have a chance to change your world, and by so doing change in some way the world that surrounds you.

Thank you for the chance given us to make this book for you. I like you, you're different.
